Carlos Santana Marc Shapiro,2000-11-05 Carlos Santana took the music world by storm back in 1969 with his thrilling performance at the Woodstock festival He was the first guitarist to skillfully blend fiery rock riffs with Latin blues and sensuous Afro Cuban rhythms to create a unique and unforgettable sound His vision to create innovative melodies has earned him a magnitude of critical praise and acclaim over his illustrious career But the road to success has been a rocky uphill climb The middle child of seven children Carlos Santana was born on July 20 1947 in a tiny Mexican village where the homes were comprised of brick and mud and there was no running water or lights But what his parents couldn t give in material wealth they heaped upon their children in love It was after the family moved to Tijuana that twelve year old Carlos developed his talent for the guitar and his reputation as a formidable musician spread In 1968 Columbia Records signed on the Santana Blues Band and they began in earnest to work on an album that would include such popular Latin and soul favorites as Black Magic Woman Evil Ways and Oye Como Va On August 15 1969 the Santana band was given the opportunity to play Woodstock before the release of their first album and this performance would forever be etched in fans minds as a key moment in rock history The Santana Blues Bands went from obscurity to instant recognition Shortly thereafter rumblings of discontent were echoed within the group with the volatile mixture of drug abuse personality clashes and the frustrations over the musical direction the band ultimately leading to the demise of the group Following the breakup Carlos Santana delved deeper into the meditative arts and spirituality The succession of albums that followed were greeted with critical acclaim but moderate success In the late 90 s Santana begin working on a new album under the creative direction of Clive Davis head of Arista Records In a brilliant union of collaborating with younger artists as Lauryn Hill Wyclef Jean and Rob Thomas the album Supernatural was a commercial smash It sold over thirteen million copies and appealed to both the baby boomers and the teenage crowd Carlos Santana became the star of the 2000 Grammys and Supernatural won several awards including Best Rock Album of the Year Song of the Year for Smooth and Album of the Year With a career that spans three decades Carlos Santana p0has proven that talent determination and passion are the keys to longevity in a business that is obsessed with youth and beauty Against the odds he has defied the rule of convention and made an incredible comeback His story is timeless inspirational and he has undoubtedly proven himself to be the king of the guitar **100 Entertainers Who**

Wikipedia contributors, **Buddy Holly** Ellis Amburn,2023-06-06 The definitive biography on Buddy Holly Ellis Amburn presents the most comprehensive biography ever written about the legendary figure Buddy Holly a young man who transformed the course of American music with his shocking blend of country western and rhythm n blues Having devoted the last five years of his life to this work crisscrossing the rural paths of the United States from Texas to Iowa to Minnesota Amburn portrays Holly as a mythic antihero whose rebellious dramatic life was a reaction against the constricting values of America in the 1950s when his music was regarded as the work of the devil From his wild days as a juvenile delinquent to his first romances to his early associations with then virtually unknown singers like Elvis Presley and Waylon Jennings Holly emerges as a deeply tortured driven individual and a brilliantly talented young man in a hurry to make it as a star And like many stars Buddy Holly s would ultimately be tragic and bittersweet *Motown* Gerald Posner,2009-04-02 In 1959 twenty nine year old Berry Gordy who had already given up on his dream to be a champion boxer borrowed eight hundred dollars from his family and started a record company A run down bungalow sandwiched between a funeral home and a beauty shop in a poor Detroit neighborhood served as his headquarters The building s entrance was adorned with a large sign that improbably boasted Hitsville U S A The kitchen served as the control room the garage became the two track studio the living room was reserved for bookkeeping and sales were handled in the dining room Soon word spread that any youngster with a streak of talent should visit the only record label that Detroit had seen in years The company s name was Motown Motown cuts through decades of unsubstantiated rumors and speculation to tell the true behind the scenes narrative of America s most exciting musical dynasty It follows the company and its amazing roster of stars from the tumultuous growth years in Detroit to the drama and intrigue of Hollywood in the 1970s to resurgence in 2002 Set against the civil rights movement the

decay of America's northern industrial cities and the social upheaval of the 1960s Motown is a tale of the incredible entrepreneurship of Berry Gordy But it also features the moving stories of kids from Detroit's inner city projects who achieved remarkable success and then in many cases found themselves fighting the demons that so often come with stardom drugs jealousy sexual indulgence greed and uncontrollable ambition Motown features an extraordinary cast of characters including Diana Ross Michael Jackson Marvin Gaye Smokey Robinson and Stevie Wonder They are presented as they lived and worked a clan of friends lovers competitors and sometimes vicious foes Motown reveals how the hopes and dreams of each affected the lives of the others and illustrates why this singular story is a made in America Greek tragedy the rise and fall of a supremely talented yet completely dysfunctional extended family Based on numerous original interviews and extensive documentation Motown benefits particularly from the thousands of pages of files crammed into the basement of downtown Detroit's Wayne County Courthouse Those court records provide the unofficial and hitherto largely untold history of Motown and its stars since almost every relationship between departing singers songwriters producers and the label ended up in litigation From its peaks in the late 1960s and early 1970s when Motown controlled the pop charts and its stars were sought after even by the Beatles through the inexorable slide caused by their failure to handle their stardom Motown is a riveting and troubling look inside a music label that provided the unofficial soundtrack to an entire generation

Rock'n'Roll's Strangest Moments Mike Evans, 2014-03-28 Rock music since its pre history in blues country music and 40s and early 50s pop through to the well publicised excesses of touring bands of today has left a legacy of thousands of weird and wonderful stories in its wake We've all read about the Who's Keith Moon driving a Rolls Royce into a hotel swimming pool but far more bizarre tales of on the road mayhem have never been widely told Likewise Svengali like managers have manipulated starstruck musicians since rock began though hanging your well known client from a third floor window was a less usual way of ensuring their loyalty And just where was the stalled hotel lift in which all four Beatles according to legend were turned on to marijuana There are the unsung heroes of rock pioneering eccentrics who helped make the music what it is and ended up as mere footnotes in the history books Men such as UK producer Joe Meek who created seminal classics from a bed sit above a cleaners on the Holloway Road and the New York DJ who originally coined the phrase rock n roll and died in alcoholic poverty Not to mention the stories behind the stars when Debbie Harry was a Playboy Bunny Paul Simon wrote Homeward Bound on Widnes railway station in Lancashire and the Gallagher brothers so they claim were petty thieves
