Mills,2009-11-09 Thomas O Mills befriended author Frank Waters who in 1963 had written The Book of the Hopi with his Hopi informant Oswald White Bear Fredericks Their book included the Hopi Creation Story Mills listened read and began to draw his own original and provocative conclusions In his book he seeks to track actual events and history that may be buried within it and how this could relate to our future This book drawing together a variety of ideas that are usually considered separately makes stimulating reading and is good material for classroom discussions on history race Hopi culture astronomy and myth Mills s intuitive vision should spur scientists to look more closely into what we like to call myths or stories for their possible basis in historical fact And today as we worry about climate change and what it means for the future shouldn t we also be figuring out whether modern technology can prevent the earth s next rotational shake up and how we plan to survive it

The Truth Behind the Rock Jessica Kaminsky,2008-06-30 Oh no it s happening you re turning into that girl The one you never thought you d become the one who really wants to get engaged and can think of little else the one who delivers a series of Oscar worthy monologues about wanting to take the relationship to the next level the one who tears out Tiffany ads and leaves them around the house the one who finally agrees with her mother When are we going to get engaged Rest assured you are not alone Engagement stories tend to focus on the details of a beautifully orchestrated proposal crafted entirely unprompted by a dream boyfriend Understandably the unsavory details of the not so subtle hinting the uncomfortable conversations and the ultimatums issued six months prior are left out of the official recap But the fact is like any good relationship getting engaged takes work soul bearing gut wrenching and occasionally heartbreaking work In The Truth Behind the Rock real life couples share their experiences in he said she said anecdotes that offer a peek behind the curtain at what men and women are really thinking when it comes to engagements From the subtle art of persuasion and what to do if it fails to sifting through the wreckage once he drops the I don t really believe in marriage bomb after years of dating author Jessica Kaminsky offers up sisterly advice to guide you through the dreaded talk again This candid reassuring examination of the great engagement debate is essential reading for every serious couple There s nothing wrong with wanting to be wanted just be prepared to ask for what you want [Animal Truth and Other Stories](#) Sharona

Muir,2022-11-22 In Sharona Muir s unique eco fabulist tales fantastic animals and real science lead people through adventure and crisis to metamorphoses of the heart and surprising truths about being human in the living system In Menu Extinction an artist obsessed with the mass extinction of species creates a banquet installation in which a mermaid is served as a dish while the banquet s imaginary satanic chef stalks his wife In Animal Truth a fiercely independent woman researching the genome of a mysterious fish discovers that her lover collaborator is her own son given away at birth and wrestles with the meanings of truth and motherhood A time travelling billionaire escaping the complexities of contemporary life in The Bath of Venus has his heart broken by a beautiful creature in Earth s remote past Each of these stories spins into gold the prickling straw of contemporary anxieties about our continued life on the planet By turns playful terrifying haunting

and sensuous the stories in this collection inspire wonder at the interwoven lives of human and nonhuman beings They are both madly inventive and scientifically literate and to cite Anthony Doerr s praise for her work absolutely original
