Rocket to Eurostar National Railway Museum,1996 **Making Histories in Transport Museums** Colin Divall,Andrew Scott,2001-12-20 This book is the first in 30 years to take transport museums seriously as vehicles for the making of public histories Drawing upon many years experience of visiting and working in transport museums around the world the authors argue that the sector s historical roots are more complex than is usually thought Written from a multidisciplinary perspective but firmly rooted in the practice of making public histories this book brings the study of transport museums firmly into the mainstream of academic and professional debate **History and Heritage** Simon Ditchfield,John Arnold,Kate Davies,2015-12-22 Just what is it that we want from the past History offers us true stories about the past heritage sells or provides us with the past we appear to desire The dividing line between history and heritage is however far from clear This collection of papers addresses the division between history and heritage by looking at the ways in which we make use of the past the way we consume our yesterdays Looking at a wide variety of fields including architectural history museums films novels and politics the authors examine the ways in which the past is invoked in contemporary culture and question the politics of drawing upon history in present day practices In topics ranging from Braveheart to Princess Diana the Piltdown Man to the National History Curriculum war memorials to stately homes History and Heritage explores the presence of the past in our lives and asks how and to what end are we using the idea of the past Who is consuming the past and why The Railway Magazine ,1996 **History and Heritage** John Arnold,Kate Davies,Simon Ditchfield,1998 Papers presented at the Conference Consuming the past held at University of York 29 November 1 December 1996 The British National Bibliography Arthur James Wells,2000 **England** Joseph Fullman,2001 England attracts over 20 million visitors every year and some 2 5 million families Cadogan s Take the Kids series explores the native country of Winnie the Pooh Peter Pan and Harry Potter with its seaside resorts theme parks and castles not to mention the fastest rollercoaster and the biggest Ferris Wheel in the world With a detailed section on London including the new Princess Diana Playground and the Millennium Dome Whitaker's Books in Print ,1998 *Railfan & Railroad* ,1995 **Aiden London City Map for Travelers** aiden map,Jacky LEE, Google Maps gives you simple directions while Aiden's London travel maps have enough content to help you plan your trip If you're planning a trip to London the city has launched a travel map to help you plan your trip Its not just a road map but a new concept a map filled with information on where to go where to eat and thousands of other things Advantages of the Aiden London travel map Highly detailed city maps London landmarks attractions places to eat and activities in great detail High quality map files 2000 travel spots and descriptions with high quality map files Zoom in to see more A1 sized paper maps transferred to ebooks Zoom in for a closer look on your Kindle Detailed description Restaurant recommendations travel what to see details Thousands of hours of research We travelled researched and gathered input from many people Thousands of hours of research went into the maps No search required Travel without wasting time and without
