Rocky and Bullwinkle in the Box Top Robbery E. D. Aspen, 1998 Bullwinkle J Moose has the world's largest collection of box tops which makes him the prime suspect when someone starts redeeming counterfeit box tops for goodies in the stores

Rocky and Bullwinkle in the Box Top Robbery E. Aspen, 1998-10-01 NULL *The Moose That Roared* Keith Scott, 2025-09-23 For those of us who love The Rocky and Bullwinkle Show these names conjure up memories of some of the wittiest most inspired and relentlessly hilarious half hours of animation ever produced There was a kind of gleeful magic to the shows a cumulative joy that transcended the crude animation and occasionally muddy sound and it's this quality that was the essence of the legendary Jay Ward and Bill Scott Jay Ward was the magnificent visionary the outrageous showman who lobbied Washington for statehood for Moosylvania and invited the press to a picnic on the floor of the Plaza Hotel's august Grand Ballroom Bill Scott was the genial brilliant head writer coproducer and all purpose creative whirlwind often described as the soul of the shows In fact Scott even provided the voices for most of the star characters giving life to Bullwinkle J Moose Mr Peabody Dudley Do Right and George of the Jungle From their tiny oddball animation studio Jay Ward Productions they created some of the most memorable animation of all time and gave birth to a family of characters whose undying popularity has cast them forever into the pop culture firmament With their distinctively unorthodox artist friendly philosophy Ward and Scott attracted some of the most talented writers and voice actors in the industry and for a time Jay Ward Productions was a kind of Camelot of cartoons Now through exclusive interviews with Bill Scott Tiffany Ward June Foray and dozens of others intimately involved with the Ward epoch as well as access to original scripts artwork story notes letters and memos Keith Scott has created the definitive history of Jay Ward Productions including episode guides and voice credits for all the Jay Ward cartoons From the first Hey Rocky watch me pull a rabbit out of a hat to the last Watch out for that tree The Moose That Roared is not only the record of a legendary chapter in animation history but also the story of a rare and magical relationship between two artists who were wildly exuberantly ahead of their time and the fascinating story of the struggle to bring their vision of bad puns and talking animals to unforgettable life **Forbidden Animation** Karl F. Cohen, 2013-10-18 Tweety Bird was colored yellow because censors felt the original pink made the bird look nude Betty Boop's dress was lengthened so that her garter didn't show And in recent years a segment of Mighty Mouse was dropped after protest groups claimed the mouse was actually sniffing cocaine not flower petals These changes and many others like them have been demanded by official censors or organized groups before the cartoons could be shown in theaters or on television How the slightly risqué gags in some silent cartoons were replaced by rigid standards in the sound film era is the first misadventure covered in this history of censorship in the animation industry The perpetuation of racial stereotypes in many early cartoons is examined as are the studios efforts to stop producing such animation This is followed by a look at many of the uncensored cartoons such as Lenny Bruce's Thank You Mask Man and Ralph Bakshi's Fritz the Cat The censorship of television cartoons

is next covered from the changes made in theatrical releases shown on television to the different standards that apply to small screen animation The final chapter discusses the many animators who were blacklisted from the industry in the 1950s for alleged sympathies to the Communist Party

Animators of Film and Television Noell K. Wolfgram Evans, 2011-05-10

In the words of Walt Disney Animation can explain whatever the mind of man can conceive Part biography part history part artistic commentary this volume looks at major figures in the field of animation and discusses how their contributions have affected the course of the industry and in many cases popular culture as a whole These gifted artists are divided into several classifications Idealists Art Babbitt John Hubley Mavericks John Kricfalusi Terry Gilliam Technicians Max and Dave Fleischer Influencers Frank Tashlin Matt Groening Ray Harryhausen Ed Benedict Trailblazers Lotte Reiniger Lillian Friedman Teller of Tales Henry Selick Teachers George Newall Tom Yohe the FMPU and Storytellers Joe Grant Bill Scott Michael Maltese A selective list of each animator's key films and awards is included

Anti-Communism and Popular Culture in Mid-Century America Cyndy Hendershot, 2015-10-03

Not long after the Allied victories in Europe and Japan America's attention turned from world war to cold war The perceived threat of communism had a definite and significant impact on all levels of American popular culture from government propaganda films like *Red Nightmare* in *Time* magazine to *Adventures of Rocky and Bullwinkle* This work examines representations of anti communist sentiment in American popular culture from the early fifties through the mid sixties The discussion covers television programs films novels journalism maps memoirs and other works that presented anti communist ideology to millions of Americans and influenced their thinking about these controversial issues It also points out the different strands of anti communist rhetoric such as liberal and countersubversive ones that dominated popular culture in different media and tells a much more complicated story about producers and consumers ideas about communism through close study of the cultural artifacts of the Cold War
