**Tales from the 1980 Louisville Cardinals** Jim Terhune, 2004 Negative vibes echoed through the athletic environs of the University of Louisville campus like claps of thunder in 1979 The coughs and sputters of the engine that had always driven U of L sports basketball was concerning to an athletic department that was under fire for the failings

of its football team and its athletic director Basketball coach Denny Crum had taken the Cardinals to two NCAA Final fours in his first four seasons Louisville had not been able to win the great prize but its runs had given rise to great expectations His next four squads burst out of the blocks with lightning speed too When each one wheezed in late February and came to a halt in mid March however great hopes turned into great grumblings Could Crum ever win the big one Eighty three minutes and 27 seconds into the season the fifth starter Scooter McCray went out for good with a torn knee ligament His replacement was brother Rodney a freshman who had arrived in poor condition and with a poor attitude We ll be lucky to win 15 games Crum said He had never won fewer than 20 in any of his eight campaigns but no one argued with this pronouncement Yet with a rookie three sophomores and star Darrell Griffith and his 48 inch vertical leap in the lineup strange zany and enchanting things began to happen Wiley Brown was given a bionic thumb and the prosthesis not only apparently helped his rebounding but also stayed on most of the time Manchild small forward Derek Smith talked of being from Jupiter one night and snatched 15 rebounds with his Goliath sized hands the next Reserve Roger Burkman s demolition derby aggression earned him the pen name Instant Defense while sub PonchoWright s cloud tickling jumpers and jaw dropping dunks got him the Instant Offense title Rodney McCray transformed himself into an indispensable man not overnight but over the course of a few minutes when his sibling went down Above all this quite literally and figuratively was Griffith He led as an athlete by his graciousness and classy demeanor They became a team that put winning above everything Each of them would have welcomed any of the others into a foxhole The discombobulated basketball team set an impossibly high standard of bonding through diversity and adversity and promptly answered that question posed by Crum s peers Yes he could win the big one **Jet**,1983-11-21 The weekly source of African American political and entertainment news *The Golden Fleece* Tom Carhart,2017-09-01 The true story of how six cadets from the U S Military Academy at West Point set out to steal the billy goat mascot from their rival the U S Naval Academy at Annapolis interwoven with a narrative about the private lives of West Point cadets in the early 1960s Provided by publisher *The US Sports Film: A Genre of American Dream Time* Danny Gronmaier,2022-12-05 Sports and film are media that create time They are temporal not only in the sense that they are defined and regulated by certain temporalities as a result of processes of social negotiation but also in the sense of modulating and intervening in these processes in the first place They are determined by multiple temporalities referring to and aligning along perceptual corporeality but at the same time they also produce time through and along temporalities of bodily expression and perception Thus as much as we perceive and understand sports and film by means of our culturally coded conceptions of time this comprehension is itself already the product of these media s fabrication and modulation of certain audiovisual imaginations of time This book examines these imaginations with regard to US team sports feature films understanding the former as the latter s constitutive conflict which makes these films graspable as a genre in the first place By addressing temporality as an ever new crystallization of a heroic past and an unattainable future in a saturated yet volatile present this conflict connects

substantially to the American Dream as an idea of community building historicity Departing from a non taxonomic approach in genre theory and such philosophical recognition of the American Dream as less an ideological narrative but more a social and socially effective imaginary embedded in an audiovisual discourse of time this book demonstrates the interrelation of sports cinema and American subjectivization along close readings of the poetics of affect of five exemplary sports films FIELD OF DREAMS WE ARE MARSHALL KNUTE ROCKNE ALL AMERICAN JIM THORPE ALL AMERICAN MIRACLE     *The Adventurous Life of Reamus Brownloe* Phillip Bryan Hartsock,2010-09-13 This is the story of Reamus Brownloe Reamus is a poor kid who receives a journal from his mother at age six and is encouraged to chronicle the major events of his life as they happen In the early years of his writing he tells of kid camping joining the Mountain Scouts his brother's creation of a motorized bicycle and other events As he grows in age the harsh reality of life sets in and the storyline takes a serious turn Somewhere along the way he becomes overwhelmed and turns to God seeking the strength and courage to endure He soon realizes that his faith in God is about the only thing he can rely on with any consistency This story is a testament to the human spirit and how resilient kids really are Especially poor ones This is a Tour de Force on how God really can move mountains if you believe in Him It doesn't matter if you're rich or poor man or woman boy or girl young or old there is something in this book for you Join Reamus his family and his wild friends on this incredible journey through childhood and into adolescence Along the way you may discover that this story is as much about you as it is him     *Stuck in Halftime* Bob Buford,2010-06-23 Since the release of *Halftime* in 1994 more than 150 000 people have purchased that book and begun a journey from success to significance In a way that no one could have predicted *Halftime* started a widespread movement viewing midlife as an opportunity rather than a crisis It helped men and women between the ages of 35 and 50 realize they may have another thirty years of active vibrant living ahead of them And according to author Buford retirement is not the optimal option But now many of the people who began the journey from success to significance have found themselves sidetracked stuck in the middle of their transition *Stuck in Halftime* coaches readers how to get past the barriers that stand in their way to maturity and fulfillment It outlines eight myths of halftime and explains the new set of rules for this second half of life's journey Combining practical guidance with personal stories of people who have become unstuck *Stuck in Halftime* renews the vision and determination of those who heard the still small voice of God calling them to a life of significance     *A Comparative Analysis of Roger Staubach and Joe Namath as Sports Heroes Using Orrin Klapp's Dialectical Process of Hero Formation* Michele Judith Jacklin,1976     *Pete Rose* Mike Towle,2003 Years after being banned from Major League Baseball for life because of alleged sports gambling Pete Rose continues to be a colorful and controversial newsmaker His frequent appeals to Commissioner Bud Selig for reinstatement have had the overwhelming support of fans reflecting the enthusiasm Rose brought to the game and the passion he has generated over the years Rose played twenty four seasons before retiring in 1986 with numerous records most career hits 4 256 most games played 3 562 most at bats 14 053 most seasons with 200 or
