Rogue Justice:

Rogue Justice Karen J. Greenberg, 2017-05-23 The definitive account of how America's War on Terror sparked a decade long assault on the rule of law weakening our courts and our Constitution in the name of national security The day after September 11 President Bush tasked the attorney general with preventing another terrorist attack on the United States From that day forward the Bush administration turned to the Department of Justice to give its imprimatur to activities that had previously been unthinkable from the NSA's spying on US citizens to indefinite detention to torture Many of these activities were secretly authorized others done in the light of day When President Obama took office many observers expected a reversal of these encroachments upon civil liberties and justice but the new administration found the rogue policies to be deeply entrenched and at times worth preserving Obama ramped up targeted killings held fast to aggressive surveillance policies and fell short on bringing reform to detention and interrogation How did America veer so far from its founding principles of justice *Rogue Justice* connects the dots for the first time from the Patriot Act to today's military commissions from terrorism prosecutions to intelligence priorities from the ACLU's activism to Edward Snowden's revelations And it poses a stark question Will the American justice system ever recover from the compromises it made for the war on terror Riveting and deeply reported *Rogue Justice* could only have been written by Karen Greenberg one of this country's top experts on Guantanamo torture and terrorism with a deep knowledge of both the Bush and Obama administrations Now she brings to life the full story of law and policy after 9/11 introducing us to the key players and events showing that time and again when liberty and security have clashed justice has been the victim *Kirkus Best Books of 2016* *Rogue Justice* Stacey Abrams, 2024-04-02 The #1 New York Times bestselling author of *While Justice Sleeps* returns with another riveting and intricately plotted thriller in which a blackmailed federal judge a secret court and a brazen murder may lead to an unprecedented national crisis A thoroughly compelling take on the machinations of Washington and those covetous of power New York Magazine Supreme Court clerk Avery Keene is back trying to get her feet on solid ground after unraveling an international conspiracy in *While Justice Sleeps* But as the sparks of Congressional hearings and political skirmishes swirl around her Avery is approached at a legal conference by Preston Davies an unassuming young man and fellow law clerk to a federal judge in Idaho Davies believes his boss Judge Francesca Whitner was being blackmailed in the days before she died Desperate to understand what happened he gives Avery a file a burner phone and a fearful warning that there are highly dangerous people involved Another shocking murder leads Avery to a list of names all federal judges and alarmingly all judges on the FISA Court the United States Foreign Intelligence Surveillance Court also known as America's secret court It is this body which grants permission to the government to wiretap Americans or spy on corporations suspected of terrorism As Avery digs deeper she begins to see a frightening pattern and she worries that something far more sinister may be unfolding inside the nation's third branch of government With lives at stake Avery must race the clock and an unexpected enemy to

inside the nation's third branch of government With lives at stake Avery must race the clock and an unexpected enemy to find the answer Drawn from today's headlines and woven with her unique insider perspective Stacey Abrams combines twisting plotlines wry wit and clever puzzles to create another immensely entertaining suspense novel [Rogue Justice](#) Ronald Kaehr,2017-10-09 It's the early 1970s The residents of northern New Mexico are concerned and puzzled by the recent spate of cattle mutilations Is it the work of aliens A secret government project Or perhaps it is the sick game of a psychopath Sheriff Bill Patterson believes he has found the answer And he is about to pay for it dearly *Frontier Justice* Javier Cikota,2025-03-18 Frontier Justice looks beyond the lawlessness and violence of frontiers to reveal instead the intricate tapestry of relationships that underpinned the development of civil society there The book looks at northern Patagonia which was military annexed to Argentina between 1878 and 1885 The Argentine government sought to develop in the region the kind of practices and institutions that would turn barbarism into civilization Using court cases to reconstruct the partnerships between prominent neighbors and the police among neighbors themselves and between police judges and prosecutors the book argues that settlers were active stakeholders in the establishment and continued functioning of the frontier state The book centers on an unusual cast of frontier denizens tackling issues of gender race patronage and colonialism to better understand the competing sources of legitimacy in a newly incorporated area By the time the national government finally sought to assert its presence more forcefully in the 1930s and 1940s the population in northern Patagonia had developed its own pioneer political culture built on patronage and informal legal arrangements and reliant on grassroots legitimacy **Coded Justice** Stacey Abrams,2025-07-15 A prescient new thriller in the 1 New York Times bestselling Avery Keene series by nationally renowned author and leader Stacey Abrams Coded Justice follows Avery down a dark rabbit hole into the breathtaking and dangerously evolving world of AI in the medical industry Former Supreme Court clerk Avery Keene is back trying to put the past behind her at a prestigious high end law firm in Washington D C Head down and focused on a new life Avery is now working as an internal investigator when a high profile client seeks her out Camasca Enterprises has a big problem and a short runway The tech company has developed a new integrated AI system poised to revolutionize the medical industry To prove its potential Camasca's charismatic founder retired Major Rafe Diaz has picked a complicated target delivering cutting edge health care to his fellow veterans The potential is staggering but their prototype has been plagued by a series of disturbing anomalies culminating in the mysterious death of a beloved Camasca engineer Avery and her colleagues Jared Ling and Noah are brought into the secretive company to investigate from the inside out At the epicenter of a burgeoning controversial industry and with billions of dollars on the line their task is simple to determine whether Camasca's technical troubles and rising body count reveal something sinister at work In Coded Justice Stacey Abrams's storytelling prowess is on full display a deft combination of riveting twists and vibrant characters set against the fascinating landscape of the capabilities of artificial intelligence and the moral boundaries that govern it Coded Justice is

Abrams's most entertaining novel to date Rogue Justice Ben Nicholls, 2021 *Rogue Justice* Stacey Abrams, 2023-06-08 The #1 New York Times bestselling author of *While Justice Sleeps* returns with another riveting and intricately plotted thriller in which a blackmailed federal judge, a secret court, and a brazen murder may lead to an unprecedented national crisis. Supreme Court clerk Avery Keene is back trying to get her feet on solid ground after unravelling an international conspiracy in *While Justice Sleeps*. But as the sparks of Congressional hearings and political skirmishes swirl around her, Avery is approached at a legal conference by Preston Davies, an unassuming young man and fellow law clerk, to a federal judge in Idaho. Davies believes his boss, Judge Francesca Whitner, was being blackmailed in the days before she died. Desperate to understand what happened, he gives Avery a burner phone and a fearful warning that there are highly dangerous people involved. Another shocking murder leads Avery to a list of names: all federal judges and alarmingly, all judges on the FISA Court, the United States Foreign Intelligence Surveillance Court, also known as America's secret court. It is this body which grants permission to the government to wiretap Americans or spy on corporations suspected of terrorism. As Avery digs deeper, she begins to see a frightening pattern, and she worries that something far more sinister may be unfolding inside the nation's third branch of government. With lives at stake, Avery must race the clock and an unexpected enemy to find the answer. Drawn from today's headlines and woven with her unique insider perspective, Stacey Abrams combines twisting plotlines, wry wit, and clever puzzles to create another immensely entertaining suspense novel.

Rogue Justice Wray Hunt, 1975-01-01 *Staff Study of Allegations Pertaining to the Department of Justice's Handling of a Contract with INSLAW, Inc.* United States. Congress. Senate. Committee on Governmental Affairs. Permanent Subcommittee on Investigations, 1989 **Last Mission to Tokyo** Michel Paradis, 2021-06-08 A narrative account of the Doolittle Raids of World War II traces the daring Raiders' attack on mainland Japan, the fate of the crews who survived the mission, and the international war crimes trials that defined Japanese-American relations and changed legal history.

Reports from Secret and Select Committees of the House of Commons and Evidence Great Britain. Parliament. House of Lords, 1848 The Districts Johnny Dwyer, 2020-09-08 Johnny Dwyer examines the New York crimes we've seen in the news, in movies, and on television: drug trafficking, organized crime, terrorism, corruption, and white collar crime, while weaving in the nuances that rarely make it into headlines. Told in the kind of pointillist detail that can only come from years of hanging around the courthouse and doing old school shoe leather reporting, Patrick Radden Keefe, author of *Say Nothing*, takes us to the Rosenbergs, Rudy Giuliani, Bernie Madoff, James Comey, John Gotti, Preet Bharara, and El Chapo, just a few of the figures to have appeared before the courts in the Southern and Eastern District of New York, the two federal courts tasked with maintaining order in New York City. These two epicenters of power in our justice system have become proving grounds for ambitious prosecutors who turn their service in government into power position, and in some cases, celebrity. These attorneys don't hope for victory in court; they expect it. In *The Districts*, Johnny Dwyer takes us not just into the courtrooms but also into

the lives of the judges and defendants prosecutors and defense counsels and winners and losers who people the courts An unprecedented look at New York City s federal court system that exposes the incentives driving how America chooses to punish crime and what those choices reveal about our politics and our society The Districts paints a revelatory picture of how our justice system and the pursuit of justice really works **Justice of the Peace** ,1873 The justice of the peace reports ,1914 Reimagining The National Security State Karen J. Greenberg,2020 A comprehensive look at the toll US government policies took on civil liberties human rights and the rule of law in the name of the war on terror *Partisan Hardcover* Sean Taylor, **Pragmatism, Politics, and Perversity** Joseph L. Esposito,2012-06-14 The political project of pragmatism has focused primarily on its defense of democracy as the best political system to maintain and improve human well being over lifetimes and generations Pragmatism Politics and Perversity Democracy and the American Party Battle describes this project of Peirce Dewey Hook and Rorty and combines it with Charles Beard s study of the party battle as the most determinative influence upon American democracy The book updates and confirms Beard s hypothesis that the history of the party battle is a chronicle of perverse schemes and self inflicted wounds the most salient to date being the American Civil War because it reflects a ceaselessly disruptive contest over the creation of two largely incompatible political states nation state and market state The book supports its thesis with detailed historical accounts of the formation of the Constitution and early federal judiciary the sedition trials and political schemes of the 1790s the frustration of market state Whigs to attract white working class voters by exploiting their religious identities the reckless machinations of Whig Republicans in precipitating a national crisis over a contrived threat of oligarchy and white slavery and the ideological oscillations of the Supreme Court from market state to nation state jurisprudence and back again To reduce perversity in political rhetoric and free up pragmatic democratic practices the book proposes a robust neo Madisonian view of free speech where political actors and their surrogates are not only free to speak and write but are also obligated to explain retract and revise what they have said and written **Political Islam, Justice and Governance** Mbaye Lo,2018-11-08 This book argues that political Islam represented by its moderate and militant forms has failed to govern effectively or successfully due to its inability to reconcile its discursive understanding of Islam centered on literal justice with the dominant neo liberal value of freedom Consequently Islamists polities have largely been abject often tragic failures in providing a viable collective life and sound governance This argument is developed theoretically and supported through a set of case studies represented by the Muslim Brotherhood in Egypt under President Muhammad Morsi s tenure Hassan Turabi s National Islamic Front in Sudan and The Islamic State in Iraq and Syria ISIS It is ideal for audiences interested in Regional Politics Islamic Studies and Middle Eastern Studies

Rogue Justice: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. Rogue Justice : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Rogue Justice : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Rogue Justice : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
