Rogue's Possession: An Adult Fantasy Romance Jeffe Kennedy, 2022-07-26 One does not break an oath to the fae But I am getting much better at finding and exploiting the loopholes I may have promised the ruthlessly sensual fae lord Rogue that he can sire my firstborn child but I never said when And I m not giving into his will eroding attempts to seduce me until he tells me what will happen to my child Which he refuses to do So I m holding out against his allure no matter how he tantalizes me because the one way to protect my child is to make sure they re never born Unfortunately Rogue is as wily as he is persistent and soon I find myself in more bargains I must give him a kiss every day and sleep by his side at night Even as I travel through Faerie perfecting my sorceress skills and seeking the answers to the questions Rogue won t or can t answer he is constantly by my side working his way through my defenses He refuses to let me go Most terrifying of all I m finding I don t want him to Payday Lending Carl Packman, 2014-09-16 Payday Lending looks at the growth of the high cost credit
