Loving Immigrants in America Daniel Campos, 2017-08-30 At once narrative and reflective *Loving Immigrants in America* An Experiential Philosophy of Personal Interaction is a philosophical account of Daniel Campos's experience as a Latin American immigrant to the United States of America A series of interrelated personal essays together convey this experience of walking or sauntering going on road trips reading American literature in the southern United States playing association football soccer or f tбол churchgoing and Latin dancing in the U S This book's central motif is the caring saunterer who is understood to be a person who makes him or herself at home anywhere even as a Latino immigrant in the U S The narrative essays convey one immigrant's experience
