Multi National Perspective brings together chaplains pastors counselors and health care practitioners in all walks of gerontology from around the world to present a fully rounded picture of the spiritual needs and potentialities of this fast growing population It also includes a study of the spiritual awareness of nurses working in six different nursing homes as well as a model for a parish nursing practice that focuses on the aged Aging Spirituality and Pastoral Care addresses urgent issues for older people including social and spiritual isolation the wisdom of the aging the need for intimacy sexuality among older people living with dementia the spiritual dimensions of caregiving *Practical Theology for Aging* Derrell R. Watkins,2013-01-11 Learn new approaches for strengthening the religious bonds of our aging population Through Scripture studies and the personal experiences of religious leaders and congregants Practical Theology for Aging offers new concepts for ministering to our older population Each chapter looks at a different concern for the elderly and addresses it with the assurance that aging is part of God s great work From scientific models and case studies to passages from both the Old and New Testaments this volume illuminates the power of faith in keeping the elderly whole and well Practical Theology for Aging reveals several barriers to the spiritual wellness of our elders These include society s stereotypical views of frailty and incompetence in older people the lack of common support by communities of faith and the dissatisfaction of the elderly with outdated traditional answers to their concerns of aging suffering and death Each barrier can be overcome by utilizing the practical theology you will find in this book Restated throughout the volume is the message that the journey into old age does not have to be filled with dread and fear but can be seen as a path to spiritual maturity This book has practical suggestions that address God s purpose for aging why do we have to grow old sexual health for senior citizens the suffering and physical debilitation that sometimes accompany aging afflictions like dementia and Alzheimer s disease and how to minister to the unresponsive the inclusion of spirituality in rehabilitation to heal the whole person after catastrophic illness or injury preaching to senior citizens as opposed to preaching to a younger congregation so much more Practical Theology for Aging presents tips and strategies for spiritual advisement as well as traditional quotes and references reminding us to respect and honor our aging men and women Whether you are a religious leader caretaker family member or esteemed elder this book is vital for strengthening spirituality in the elderly and promoting their inclusion into the religious community **New**

Directions in the Study of Late Life Religiousness and Spirituality Susan H. McFadden, Mark Brennan, 2014-05-01 Examine the questions of how what and why associated with religiousness and spirituality in the lives of older adults New Directions in the Study of Late Life Religiousness and Spirituality explores new ways of thinking about a topic that was once taboo but that has now attracted considerable attention from the gerontological community It examines various approaches to methodology and definition that are used in the study of religion spirituality and aging In addition it explores the ways that gerontological research can highlight the role of religion and spirituality in the lives of older adults The first section will introduce you to new ways of thinking about research methodology and data analysis that can be applied to studying the

complexity of older adults religious spiritual practice and beliefs You ll learn several approaches to the study of phenomena that are both personal and also deeply embedded in community The second section addresses issues of definition exploring important questions that call for critical reflection such as What are we studying What social and psychological influences shape our thinking about definition and Do the definitions used by gerontologists match those held by older people The final section moves the study of religion spirituality and aging beyond a focus on health and mortality to examine well being more broadly in the context of the life experiences of older adults Here is a small sample of what you ll learn about in New Directions in the Study of Late Life Religiousness and Spirituality structural equation modeling a statistical method designed to capture the dynamics inherent in the passage of time feminist qualitative methods for studying spiritual resiliency in older women spirituality as a public health issue the differences between groups of older people in the way they define religion and spirituality the psychosocial implications of two types of religious orientation dwelling and seeking older women s responses to the experience of widowhood and to the question of whether their religious beliefs were affected by the experience how social context influences our decisions and our interpretations of people s religious beliefs behaviors and experiences the ways that people caring for a spouse with dementia rely on religious coping a model that delineates three different ways people relate to God in coping and a study that asks whether these types of coping produce different outcomes for caregivers how people adjust to bereavement as a function of their beliefs about an afterlife [Aging, Spirituality and Palliative Care](#) Elizabeth MacKinlay,2006 The period of time when a person approaches death is always difficult both for the patient and the caregiver Aging Spirituality and Palliative Care discusses best practices in aged and palliative care while addressing patients diverse spiritual needs Leading authorities presentations from the Third International Conference on Ageing and Spirituality in Adelaide Australia in 2004 explore practical sensitive spiritual approaches to help older patients deal with aging illness and approaching death Each chapter is carefully referenced and many include tables and figures that enhance understanding of research data **The Older Adult as Learner** D. Barry Lumsden,1985 [Viktor Frankl's Contribution to Spirituality and Aging](#) Melvin A. Kimble,2014-02-04 Use Frankl s insights and techniques to improve life for your aging clients or parishioners Viktor Frankl a holocaust survivor who experienced firsthand the horrors of Auschwitz saw man as a being who continuously decides what he is a being who equally harbors the potential to descend to the level of an animal or to ascend to the life of a saint Man is that being who after all invented the gas chambers but at the same time he is that being who entered into those same gas chambers with his head held high and with the Our Father or the Jewish prayer of the dying on his lips Dr Frankl s insights led him to found the therapeutic system of logotherapy which views man as a spiritual being rather than simply as a biological construct Logotherapy has come to be called the Third Viennese School of Psychotherapy after Freud s psychoanalysis and Adler s individual psychology He left a rich legacy of theory and insights especially relevant to the search for meaning in later life The tenets of logotherapy provide many clues and approaches to what an ever

increasing body of evidence suggests regarding the crisis of aging as a crisis of meaning Frankl's insightful work increased man's understanding of the spiritual dimension of humanity and the dignity and worth of every person in the face of what he called the tragic trial of human existence pain guilt and death Viktor Frankl's *Contribution to Spirituality and Aging* presents an essential overview of logotherapy and explores the search for and the will to meaning in later life the connection between logotherapy and pastoral counseling bringing psychology and theology together to effectively counsel the aging the role of logotherapy in the treatment of adult major depression aspects of meaning and personhood in dementia the search for meaning in long term care settings Viktor Frankl's *Contribution to Spirituality and Aging* represents varying professional perspectives on the application of Frankl's logotherapy for ministry with older adults The chapter authors represent diverse professional backgrounds in medicine pastoral theology the behavioral sciences and pastoral ministry They address issues such as death and dying dementia and depression and the spiritual meaning of aging as well as Frankl's conception of the nature of humanity Everyone interested in the connection between theology and psychology in the context of the aging will want to own this book Introduction to Educational Gerontology Ronald H. Sherron, D. Barry Lumsden, 2013-11-12
