Rolling Breaks And Other Movie Business:

Rolling Breaks and Other Movie Business Aljean Harmetz, 1983 Twenty five pieces of movie world journalism 1969-1982 by the author of *The Making of the Wizard of Oz* many of which originally appeared in the New York Times

Hollywood's Road to Riches David Waterman, 2009-07-01 This book shows how beginning in the 1950s a largely predictable business has been transformed into a volatile and complex multimedia enterprise now commanding over 80 percent of the world's film business Waterman asks how the economic forces leading to this success have combined to change the kinds of movies Hollywood produces

43 Ways to Finance Your Feature Film John W. Cones, 2008-03-06 Author Cones breaks financing options down into six main areas gifts and grants investor financing domestic government subsidies and tax incentive programs lender financing international finance options and studio or industry financing Beginning with the forms of financing most likely to be accessible to independent feature film producers Cones proceeds to other forms that become increasingly available as the producer's career matures He provides specific concise information regarding the many possible strategies and lists the distinct pros and cons of each strategy Cones also counters much of the bad advice being provided by pseudoprofessional film finance consultants and points out scams that may separate unwary film producers from their money Although the book focuses on financing feature films much of its information is relevant to the financing of other kinds of projects such as short films documentaries videos and multimedia and theatrical endeavors

From publisher description **How Hollywood Works** Janet Wasko, 2003-11-25 This is a book about the US motion picture industry its structure and policies its operations and practices It looks at the processes that are involved in turning raw materials and labor into feature films It describes the process of film production distribution exhibition and retail a process that involves different markets where materials labor and products are bought and sold In other words this is a book about how Hollywood works as an industry *How Hollywood Works* offers an up to date survey of the policies and structure of the US film industry looks at the relationship between the film industry and other media industries examines the role of the major studios and the other players including law firms talent agents and trade unions and guilds provides access to hard to find statistical information on the industry While many books describe the film production and marketing process they usually do so from an industry perspective and few look at Hollywood critically from within a more general economic political and social context By offering just such a critique Janet Wasko's text provides a timely and essential analysis of how Hollywood works for all students of film and media

Screening Space Vivian Carol Sobchack, 1997 This text attempts to shape definitions of the American science fiction film studying the connection between the films and social preconceptions It covers many classic films and discusses their import seeking to rescue the genre from the neglect of film theorists The book should appeal to both film buff and fans of science fiction
