once again MX Publishing brings us fifty three of these adventures in three simultaneously published volumes with all royalties going to support the Undershaw school for special needs children located at one of Sir Arthur Conan Doyle's former homes. Somewhere in the vaults of the bank of Cox and Co at Charing Cross there is a travel worn and battered tin dispatch box with my name John H Watson M D Late Indian Army painted upon the lid. It is crammed with papers nearly all of which are records of cases to illustrate the curious problems which Mr Sherlock Holmes had at various times to examine Dr John H Watson. So wrote Dr Watson in *The Problem of Thor Bridge* and ever since Sherlockians have been seeking to know more about these tales from the legendary Tin Dispatch Box. While Watson's original Literary Agent only edited the pitifully few sixty stories that make up the original Canon there have since been literally thousands of traditional adventures about the true Sherlock Holmes and yet there will never be enough. In 2018 MX Publishing presented Parts XI and XII of this acclaimed and ongoing series *Some Untold Cases* and then in 2020 Parts XXII XXIII and XXIV returned to that theme with *Some More Untold Cases*. Now that concept is revisited with more Sherlock Holmes adventures that further explore those many tantalizing references to some of Holmes's other Untold Cases as mentioned in *The Canon*. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes described by the estimable Dr Watson as the best and wisest whom I have ever known.

*The Mammoth Book of New Sherlock Holmes Adventures* Mike Ashley, 2009-05-28

The biggest collection of new Sherlock Holmes stories since Sir Arthur Conan Doyle laid down his pen nearly 200 000 words of superb fiction featuring the Great Detective by masters of historical crime including Stephen Baxter H R F Keating Michael Moorcock and Amy Myers. Almost all the stories here are specially written, the cases presented in the order in which Holmes solved them. The result is a new life of Sherlock Holmes with a continuous narrative alongside the stories that identifies the gaps in the canon and places the new and hitherto unrecorded cases in sequence. Plus an invaluable complete Holmes chronology.

**The Mammoth Book of New Sherlock Holmes Adventures**, 1997

Published with the approval of Dame Jean Conan Doyle, this collection of stories presents a complete chronology of Sherlock Holmes cases including the many missing cases Holmes and Watson referred to but which the duo did not write up for publication. The stories are in chronological order.
