writing In *The Midwestern Ascendancy in American Writing* Ronald Weber illuminates the sense of lost promise that gives rise to the elegiac note struck in many Midwestern works he also addresses the deeply divided feelings about the region revealed in the contrary desires to abandon and to celebrate The period of Midwestern cultural ascendancy was a time of tremendous social and technological change Midwestern writing was a reflection of these societal changes it was American literature

Walford's Guide to Reference Material: Generalia, language and literature, the arts Albert John Walford, Marilyn Mullan, Priscilla Schlicke, Library Association, 1996 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories

Modernism, Middlebrow and the Literary Canon Lise Jaillant, 2015-10-06 In the 1920s and 1930s the Modern Library series began to bring out cheap editions of modernist works Jaillant provides a thorough analysis of the series mix of highbrow and popular literature and argues that the availability and low cost of modernist works helped to expand modernism's influence as a literary movement
