 focused magazine **Taking Sex Differences Seriously** Steven E. Rhoads, 2010-05 Most discussions of sexuality today
 assume that differences between men and women are insubstantial and that the boundary between the masculine and the
 feminine is highly porous To reflect the idea that male and female roles have been socially constructed they speak of gender
 instead of sex and ridicule the double standard of studs and sluts Because men and women are virtually interchangeable it is
 argued men should do an equal share of domestic work so that women can compete equally with men outside the home This
 vision of androgyny has compelling aspects But Dr Steven Rhoads finds one problem whatever we might like to believe sex
 distinctions remain a deeply rooted part of human nature In *Taking Sex Differences Seriously* he assembles a wealth of
 scientific evidence showing that these differences are hardwired into our biology They range from the subtle women
 instinctively carry babies on their left side near the maternal heartbeat to the profound women with higher testosterone
 levels are more promiscuous more competitive and more conflicted about having children Rhoads explores male female

disparities in aggression and dominance in sexuality and nurturing He shows how denial of these differences has affected phenomena such as the sexual revolution and fatherless families and policies such as Title IX and the call for universal day care But he also says that society is improved by discouraging some natural tendencies like men s temptation toward predatory sex and encouraging others like women s greater interest and talent in caring for babies Steven Rhoads dispels social clichs and spotlights biological realities in this provocative book Meticulously researched and elegantly written Taking Sex Differences Seriously is a groundbreaking look at the way we are *Why She Plays* Christine A. Baker,2008-12-01 An exploration of women in basketball **On Her Game** Christine Brennan,2025-07-08 Instant New York Times Bestseller A news making and electrifying portrait of sports phenomenon Caitlin Clark whose dramatic ascendance in college basketball and now in the WNBA has captured the attention of media and fans unlike any other female team sport athlete in history by award winning USA TODAY columnist and television commentator Christine Brennan America has never seen an athlete quite like Caitlin Clark Attracting record shattering attendance and TV ratings she has riveted the nation with her famous logo threes and thrilling passes and changed how fans across the country view women s sports Drawing on dozens of extensive interviews and exclusive behind the scenes reporting veteran journalist Christine Brennan narrates Clark s rise including the formative experiences that led to her scoring more points than any woman or man in major college basketball history and delivers fascinating new details about Clark s Olympic snub by USA Basketball the safety concerns around her that led to charter flights for all players the WNBA s lack of preparation for heightened national scrutiny and troubling outbreaks of jealousy and resentment as a white player became the top story in a predominantly Black league The 2024 season was a watershed Always taking the high road in the face of criticism Clark proceeded to write herself into WNBA record books as one of the league s most talented rookies ever And her winning persona on full display whether surrounded by children begging for autographs or reporters hanging on her every word made Clark such a fan favorite that increasingly larger arenas needed to be found to accommodate the hordes who traveled hundreds and sometimes thousands of miles to watch her play Clark arrived as a sports and cultural icon a little more than fifty years after the passage of Title IX the 1972 law that opened the floodgates for girls and women to play sports in America On Her Game is a sports story certainly but it s also the story of a nation falling in love with what it has created because of that law millions of new athletes led by the magical Caitlin Clark **Basketball Championships' Most Wanted™** David L.
