**of American Women's History** Sue Heinemann, 1996 Spanning five hundred years of American history this definitive reference provides an incisive look at the contributions that women have made to the social cultural political economic and scientific development of the United States Original      Conversations with Kentucky Writers Linda Elisabeth LaPinta, 2021-11-21 Kentucky and Kentuckians are full of stories which may be why so many present day writers have Kentucky roots Whether they left and returned like Wendell Berry and Bobbie Ann Mason or adopted Kentucky as home like James Still and Jim Wayne Miller or grew up and left for good like Michael Dorris and Barbara Kingsolver they have one connection Kentucky has influenced their writing and their lives L Elisabeth Beattie explores this influence in twenty intimate interviews Conversations with Kentucky Writers was more than three years in the making as Beattie traveled across the state and beyond to capture oral histories on tape Her exhaustive knowledge of these authors helped her draw out personal revelations about their work their lives and the nature of writing When Still concludes his interview with I believe I've told you more than anybody he could be speaking for any of Beattie's subjects Aspiring writers will learn that Mason submitted twenty stories to the New Yorker before one was accepted and that Still wrote articles for Sunday school magazines There's plenty of advice Dorris tells budding authors to get real jobs keep journals and read everything even cereal boxes and Marsha Norman reminds playwrights that it is not the business of the theater to provide writers with a living Kingsolver advises Read good stuff and write bad stuff until eventually what you're writing begins to approximate what you're reading Beattie's collection includes striking self portraits of such writers as Sue Grafton Leon Driskell James Baker Hall Fenton Johnson George Ella Lyon Taylor McCafferty Ed McClanahan Sena Naslund Chris Offutt Lee Pennington and Betty Layman Receveur What most distinguishes these moving conversations from other author interviews is their focus on creativity on the teaching of writing and on the authors strong sense of place As Wade Hall writes in his foreword all twenty writers recognize that their works have been significantly influenced by their Kentucky experience This collection offers insights into Kentucky's rich and flowering literary heritage      **The Real South** Scott Romine, 2008-06-01 In this stimulating study Scott Romine explores the impact of globalization on contemporary southern culture and the South's persistence in an age of media and what he terms cultural reproduction Rather than being compromised Romine asserts southern cultures are both complicated and reconfigured as they increasingly detach from tradition in its conventional sense In considering Souths that might appear fake the Souths of the theme restaurant commercial television and popular regional magazines for example Romine contends that authenticity and reality emerge as central concepts that allow groups and individuals to imagine and navigate social

worlds Romine addresses a major critical problem authenticity in a fundamentally new manner Less concerned with what actually constitutes an authentic or real South than in how these concepts are used today The Real South explores a wide range of southern narratives that describe and travel through virtual simulated and commodified Souths Where earlier critics have tended to assume a real or authentic South Romine questions such assumptions and whether the authentic South ever truly existed From Gone with the Wind Civil War reenactments and a tennis community outside Atlanta called Tara to the work of Josephine Humphreys the travel narrative of V S Naipaul and the historical fiction of Lewis Nordan Romine examines how narratives and spaces are used to fashion social solidarity and cultural continuity in a time of fragmentation and change Far from deteriorating or disappearing in a global economy Romine shows the South continues to be reproduced and used by diverse groups engaged in diverse cultural projects
