## Shingle Style Today:

The shingle style today Vincent Joseph Scully, 1978      **Shingle Style Today** Vincent Jr Scully, 2000-02-01 Distinguished by long sloping gables horizontal lines and a continuous shingle covering on the exterior the Shingle Style's essential objective was the creation of expanding flowing space The Shingle Style embodied intellectual pluralism and cultural democracy ideals fundamental to American belief and developed quickly and richly After a period of reaction against the Shingle Style it was revitalized finding its first fully renewed expression in 1959 in a design for a beach house by Robert Venturi Vincent Scully details this reemergence revealing the complex and crucial role of influence in the shaping of this movement      *The Shingle Style Today Or The Historian's Revenge* Vincent Scully, 1974      The Shingle Style Today Vincent Scully (Jr.), 1974 Discusses the changing production processing distribution storage and preparation of our foods which have allowed pathogens and other food borne diseases to increase in numbers over the past twenty five years      **Modern Architecture and Other Essays** Vincent Scully, 2003 Combining the modes of historian and critic in unique and compelling ways Scully has profoundly influenced the way architecture is thought about and made This illustrated and elegantly designed volume distills Scully's incalculable contribution 300 illustrations      **Shingle Style** Home Planners, inc, 2001 Consider the lowly shingle Rarely has a single building material had such a metamorphosis in its architectural influence Shingle Style presents 165 modern designs from 20 of today's finest home designers and architects These professionals make the most of modern interior floorplanning built ins storage areas and efficient traffic flow from room to room Their exteriors however maintain the classic look and influences from the turn of the 19th Century      *Shingle Style Houses* E. Ashley Rooney, John C. McConnell, Turner Brooks, 2007 Over 50 shingle homes in the continental United States displayed in over 500 color photographs including multi million dollar residences smaller mansions cottages and renovated shingles Their sites are as varied as their designs Some are on the coastline others peer through trees on city streets while some occupy an island or sit in the middle of a vineyard The Shingle Style homes of today are compared to some of the famous shingles from the past Naumkeag Stonehurst and the Folly      **Untimely Moderns** Eeva-Liisa Pelkonen, 2023-01-01 A novel exploration of the idea of nonlinear time and its place at the heart of modern art and architecture Through much of the twentieth century a diverse group of thinkers engaged in an interdisciplinary conversation about the meaning of time and history for modern art and architecture The group included architects Louis Kahn Everett Victor Meeks James Gamble Rogers Paul Rudolph and Eero Saarinen artists Anni and Josef Albers philosopher Paul Weiss and art historians Henri Focillon George Kubler Sibyl Moholy Nagy and Vincent Scully These figures were unified by their resistance to the idea that to be considered modern art and architecture had to be of its time as well as by the pivotal role that Yale University held as a backdrop to their thinking These thinkers sponsored a new kind of approach one that Eeva Liisa Pelkonen terms untimely emphasizing a departure from a sequential course of events Ideas about temporal duration new tradition the presence of the past and the shape of time were

among the concepts they explored With an interdisciplinary focus Pelkonen reveals previously unexplored connections among key figures of American intellectual and artistic culture at midcentury whose works and words would shape modern architecture

**Weekend Utopia** Alastair Gordon,2001-05 The Hamptons are hot Gordon who grew up there traces the invention of the idea of the Hamptons as a resort for the elite of New York City and shows how various forces including artists real estate developers and media professionals transformed what had been a quiet rural place into a modern and worldwide phenomenon 175 illustrations

**Designs for Living** Randy M. Correll,Gary L. Brewer,Grant F. Marani,Roger H. Seifter,2014-05-13 In Designs for Living Roger H Seifter Randy M Correll Grant F Marani and Gary L Brewer who lead the residential practice at Robert A M Stern Architects present fifteen houses the firm has completed over the past ten years From contemporary interpretations of the shingle style to robust Mediterranean designs the houses are stylistically diverse reflecting RAMSA s deep knowledge of history and precedent Each partner provides insight into the design process and his individual approach to working with clients Houses are located in dramatic settings from Napa and Sonoma to the spectacular coastline of the Hamptons and New England Whether overlooking the ocean or nestled into the mountainside these remarkable houses reveal the architects emphasis on the importance of context and their dedication to exploring the nature of place and environment Each house invokes the vernacular architectural heritage particular to its region while gracefully reflecting its natural surroundings

Connecting contemporary lifestyles to traditional American aesthetics these residences are exceptional both for their timelessness and their ability to evoke a conversation with the past a dialogue the RAMSA partners believe lies at the heart of architecture

*Vincent Scully* A. Krista Sykes,2023-08-24 The renowned architectural historian and critic beloved Yale professor and outspoken public activist Vincent Scully 1920 2017 emerged in the 1950s as a guiding voice in American architecture This intellectual biography of Scully s life and career traces the formative moments in his thinking mapping his relationships with a constellation of architects artists and cultural personalities of the past one hundred years Scully charted an unlikely course from postwar modernism to postmodernism and New Urbanism overturning outdated beliefs and changing the face of the built environment as he went A teacher for more than 60 years and a figure of immense importance in the field he was central to an expansive network of associations from Frank Lloyd Wright Louis Kahn and Robert Venturi to Robert Stern Harold Bloom and Norman Mailer Scully s extensive body of work with its range spanning centuries and civilizations coalesced around the core beliefs that architecture shapes and is shaped by society and that the best architecture responds above all else to the human need for community and connection This timely appraisal provides a platform for reassessing the legacy of these values as well as how we write and think about architecture in the twenty first century

**Resisting Postmodern Architecture** Stylianos Giamarelos,2022-01-10 Since its first appearance in 1981 critical regionalism has enjoyed a celebrated worldwide reception The 1990s increased its pertinence as an architectural theory that defends the cultural identity of a place resisting the homogenising onslaught of globalisation Today its main principles such as acknowledging the climate history materials culture and topography of a specific place are integrated in architects education across the globe But at the same time the richer cross cultural history of critical regionalism has been reduced to schematic juxtapositions of the global with the local Retrieving both the globalising branches and the overlooked cross cultural roots of critical regionalism *Resisting Postmodern Architecture* resituates critical regionalism within the wider framework of debates around postmodern architecture the diverse contexts from which it emerged and the cultural media complex that conditioned its reception In so doing it explores the intersection of three areas of growing historical and theoretical interest postmodernism critical regionalism and globalisation Based on more than 50 interviews and previously unpublished archival material from six countries the book transgresses existing barriers to integrate sources in other languages into anglophone architectural scholarship In so doing it shows how the periphery was not just a passive recipient but also an active generator of architectural theory and practice Stylianos Giamarelos challenges long held central notions of supposedly international discourses of the recent past and outlines critical regionalism as an unfinished project apposite for the 21st century on the fronts of architectural theory history and historiography

**Old-House Journal** ,1987-06 *Old House Journal* is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue
