singing in foreign languages We sopranos are not usually known to have good diction particularly in our high range I found that working with Kathryn improved my ability to be understood by an enormous percentile of the audience with much less vocal fatigue than I would have experienced if left to my own devices I have often told my colleagues enthusiastically of her interesting solutions to the frustrating problems of diction I am thrilled that her techniques are now in print for all to benefit from them In *Singing and Communicating in English* internationally renowned diction coach Kathryn LaBouff provides singers with an accessible guide to the principles of English diction they need to communicate the text successfully Her thorough and much sought after technique clarifies the physiology of speech emphasizes the studied practice of careful and articulate pronunciation and focuses on the study of English cadence Covering aspects of phonetics from vowels to diphthongs to fricatives the book includes multiple practical exercises in International Phonetic Alphabet IPA transcriptions helpful diagrams and pronunciation drills each chosen from the most essential English art song and operatic repertoire In addition to standard American and British English a variety of regional dialects and accents are covered in depth A companion website features a full range of vowel consonant drills poems read aloud by the author and by theater and voiceover actor John Keating as well as an exercise answer key and publishers lists to help the singer locate a vast array of English language works for performance This book is an invaluable resource for all vocalists both professional and aspiring diction instructors teachers and coaches and choral directors VISIT THE COMPANION SITE AT www.oup.com/us/singinginenglish

Khosrow and Shirin Nezami Ganjavi, 2025-04-15 A tragic epic love story before Romeo and Juliet by one of the greatest medieval Persian romance poets in a modern verse English translation by Dick Davis A Penguin Classic Based on historical characters of the seventh century Iranian court and written 850 years ago the narrative poem about Khosrow and Shirin shares a shelf with the most intensely romantic classic stories readers love from Tristan and Isolde to Layla and Majnun to Romeo and Juliet to Gatsby and Daisy The love between an Iranian prince

Khosrow and an Armenian princess Shirin is at the center of this tumultuous tale in which the powers of politics and warfare intertwine with no less powerful forces of erotic desire and the quest for personal and spiritual fulfilment. There is a complex love story based on conflicting concepts of love: one regarding the beloved as a prize to be conquered and possessed, the other unrequited and all-consuming, relishing the very notion of the annihilation of the self through love. Davis has captured the energy and poetry of Nezami's original in modern verse. Davis's introduction and textual commentary further strengthens his translation by providing insightful context for the general reader and scholar alike. Khosrow and Shirin will enchant both the classicist and the general reader to captivate a new audience for Nezami's masterpiece. Before *Romeo and Juliet* there was Khosrow and Shirin. The medieval Persian epic Khosrow and Shirin is a rich and gloriously excessive love story. Michael Dirda, *The Washington Post*. *Xe8 Unveiled* Danielle Savoie, Cornell Jasmine, 2009-08. This is the first novel from author Kevin Jon Klause and is a fictional account of a young schizophrenic musician and his journey around the United States. While his life eases by pleasantly, you will encounter a complete transformation of philosophy, tools for survival and reality in general. Set in ultra-modern times.
