The Logos Story Elaine Rhoton,2014-04-16 At 11 55 p m on January 4 1988 all those aboard the Logos were jolted by the impact The sound of the ship scraping rock struck fear in the hearts of the ship s crew Captain Jonathan Stewart wished he were somewhere else But this was reality The Logos had run aground off the coast of Chile Despite all efforts of the crew and the Chilean navy the ship began to list badly For the Logos it was the beginning of the end In the Logos Story you will learn about the extraordinary ministry of Operation Mobilisation s Logos a vessel that for eighteen years made more than 400 port visits to 258 different ports in 103 countries Because of the various outreach ministries of the Logos millions of people were impacted in thousands indicated a decisions to commit their lives to Jesus Christ **50 Year Adventure** Rick Evans,2009-12 It may not be obvious why someone like myself would write my memoir I am not a famous person I am not a professional athlete I am not a politician I am not even known in my local area of North Carolina I do not fit into any of these typical categories of autobiographical writers However as in most people I have a story to tell that is unique from many and common to some We all have stories that people can relate to and sympathize with if only we just tell them I find a great relief when I learn that others have survived similar struggles that I am going through I am living proof that it is possible to live through many things and come out the other side a better person **The Shepherd's Staff** Ted Bradshaw,2022-05-16 As their story progresses in The Shepherd s Staff Bill Elaine Westover with three children Jennifer Betsey and Peter move from their successful inner city ministry to a church in desperate need of revitalization Through teaching in word and deed Bill leads the church in renewed outreach Engendering opposition from members who are not actually believing Christians and from the denominational leaders Meanwhile Elaine is hired by an attorney Her work as their staff psychologist leads to a confrontation with a homicidal client and she begins to note destructive patterns in the life of one of the attorneys Follow the continuing saga as Bill Elaine Westover and their family survive and thrive in their new situation
