The Bus for America George Pereny,2016-08-21 THE BUS FOR AMERICA George Pereny s great new book is a mixture of memory history and poetry telling the story of a remarkable life that started under the repression of Soviet rule in his native Hungary His family made a brave and dangerous escape from Hungary when Pereny was a boy crossing the ocean and coming to the United States after a momentous decision to take the bus for America rather than the bus for Canada Pereny had an adventurous education in America coming to love rock music and words eventually deciding on a teaching career that took him to inner city neighborhoods and kids in desperate need of his poetry and vision Along the way he discovered an aptitude and passion for the martial arts and had a spiritual rebirth in Christ George s story is also a quest for love that brings him to many women until he finds the right one Like many great books THE BUS FOR AMERICA ends with a wedding and a new chance for a happy life in Pereny s adopted America
