

Shkola Endshpilia

M Mosston

Shkola Endshpilia:

Chess Exam and Training Guide Igor Khmelnitsky, 2004 This book offers a unique approach to chess self evaluation and training It will answer the two most common questions that players ask an experienced coach what is my true rating or strengths and weaknesses How do I improve The readers will find 100 diagrams b give them clear explanations on how to improve both in suggesting the appropriate training materials and in outlining the training methods c encourage players to establish and then follow a structured training plan d relieve player s anxiety by assuring that there is plenty of help available to those who are interested in understanding the game better and improve their skills e provide players with means of getting all their questions answered via timely advice from experienced coaches and also their peers Dvoretsky's

Endgame Manual: Fifth Edition Mark Dvoretsky, 2020-06-08 The Fifth Edition of a Modern Masterpiece When it appeared in 2003 the first edition of Dvoretsky s Endgame Manual was immediately recognized by novice and master alike as one of the best books ever published on the endgame The enlarged and revised fifth edition is better than ever Here is what Vladimir Kramnik the 14th World Champion had to say in his foreword to the fifth edition I consider Dvoretsky s Endgame Manual an absolute must for every chess professional and no less important even for a club player I always recommend this book I consider it to be one of the very best chess books published in recent times and I am very pleased with the new enhanced edition German grandmaster Karsten M ller widely recognized as one of the best endgame theoreticians in the world today has carefully updated the fifth edition with the help of American grandmaster Alex Fishbein The incredible instructional value of the exercises has been preserved and the blue text used in the first four editions has been replaced with text with a light grey background Here s what they had to say about the first edition Dvoretsky s Endgame Manual may well be the chess book of the year It comes close to an ultimate one volume manual on the endgame Lubomir Kavalek in his chess column of December 1 2003 in the Washington Post Dvoretsky s Endgame Manual is quite simply a masterpiece of research and insight Most of all Dvoretsky s analysis is staggering in its depth and accuracy John Watson at The Week In Chess 2003 Book of the Year Jeremy Silman com 2003 Book of the Year Seagaard Chess Reviews **SHkola. 500 Otchayannyh**
