## **Shooting Montezuma A Hollywood Monster Story:**

*Shooting Montezuma* Jan Merlin, 2001-12-01 Jan Merlin film star and Emmy winning writer exposes the reader to a perspective that only first hand experience can provide Literally scripted about an odd movie in which the audience is to guess who was acting in disguise behind masks the book reveals how a film is ingeniously made and how it affects those involved in it With celebrated stars a legendary director and an egotistic make up artist extraordinaire the company goes on location to Brazil Scandals feuds power plays all surround the production of a major film with a gimmick and the secret about it they find unable to keep For those who revel in the magic of movies this novel will intrigue for those who know the tricks of the trade this will confirm their suspicions See February 2004 copy of VIDEO WATCHDOG for an intensive interview with Mr Merlin about the LIST OF ADRIAN MESSENGER and how his work in that film led to this novel s creation **John Huston**

**as Adaptor** Douglas McFarland, Wesley King, 2017-01-28 John Huston as Adaptor makes the case that adaptation is the salient element in Huston s identity as a filmmaker and that his early and deep attraction to the experience of reading informed his approach to film adaptation Thirty four of Huston s thirty seven films were adaptations of literary texts and they stand as serious interpretations of literary works that could only be made by an astute reader of literature Indeed Huston asserted that a film director should be above all else a reader and that reading itself should be the intellectual and emotional basis for filmmaking The seventeen essays in this volume not only address Huston as an adaptor but also offer an approach to adaptation studies that has been largely overlooked How an adaptor reads the works to which he is drawn and how his literary interpretations can be brought to the screen without relegating film to a subservient role are some of the issues addressed by the contributors An introductory chapter identifies Huston as the quintessential Hollywood adaptor and argues that his skill at adaptation is the mark of his authorial signature The chapters that follow focus on fifteen of Huston s most important films including *The Maltese Falcon* 1941 *The Treasure of the Sierra Madre* 1948 *The African Queen* 1951 *The Night of the Iguana* 1964 *Under the Volcano* 1984 and *The Dead* 1987 and are divided into three areas aesthetics and textuality history and social context and theory and psychoanalysis By offering a more comprehensive account of the centrality of adaptation to Huston s films John Huston as Adaptor offers a greater understanding of Huston as a filmmaker

**Playbills to Photoplays** New England Vintage Film Society Inc., 2010-12-01 They were pioneers in the most glamorous business in the world and you only know half of their story Playbills To Photoplays reveals colorful episodes in the lives of the stars before they became stars Everyone saw them but few knew where they came from This collection of essays follows some of the most famous names in show business from Vaudeville and Broadway to Hollywood revealing a part of their lives that movie historians have neglected until now I think this book is terrific It s a must read for any fan of the silver screen and the days when movie stars were real stars Morgan Loew great grandson of Adolph Zukor founder Paramount Pictures and Marcus Loew founder Loews Theaters and MGM Ms Loew s choice of performers to write about is amazingly diverse and

fascinating from character actors like Conrad Veidt to major stars like Katharine Hepburn She has written a most compelling book about their transitions from stage to film many of the stories new to me Wonderful Joan Benny daughter of comedian Jack Benny one of America s greatest entertainment icons of the 20th century whose career included vaudeville radio movies and television A nice compilation of essays on film stars who made the transition from the stage to early talkies with essays on Al Jolson Mae West Eddie Cantor Harpo Marx Spencer Tracy Clark Gable Charley Grapewin Ed Wynn and the Morgans Frank and Ralph Some essays were much better than others I loved the one on the Morgans Burns and Allen Harpo Marx and Katharine Hepburn I would highly recommend the book as it gives you a good idea what vaudeville and the Broadway stage was like in the early 20 s and what it was about these stars that allowed them to make the transition Librarything com big stars as well as a raft of character actors and decorated with dozens of striking photos perceptive close ups that make for vibrant film criticism engaging profiles of Old Hollywood icons Kirkus Performers attempting to breakthrough will find this book inspirational An Aspiring Actor Motion pictures with recorded sound known as talking pictures or talkies signaled the end of silent films and created some of the greatest entertainment icons of the twentieth century Playbills To Photoplays Stage Performers Who Pioneered the Talkies introduces a new generation to the real life struggles and careers of talented hard working early twentieth century vaudeville and stage entertainers who migrated to sound film Twenty eight essays and over one hundred photographs examine the actors before during and after the revolutionary new sound film technology catapulted many of them to superstardom during Hollywood s Golden Age Playbills To Photoplays Stage Performers Who Pioneered the Talkies explains the social political economic historical and cultural issues that shaped each performer s body of work acting technique persona and public following over time *History vs Hollywood* M J Trow, 2024-05-30 Film studios have been making historical movies now for over a century In that time thousands of films have been made covering not just centuries but millennia Did Neanderthal woman really look like Raquel Welch in her bearskin bikini Did 6 000 rebellious slaves claim that they were Spartacus Did Berengaria complain to her husband Richard the Lionheart War war that s all you think about Dick Plantagenet Was El Cid strapped to his horse s saddle to lead his army after he was dead These aren t questions of history they are questions of Hollywood Charlton Heston was a foot too tall for General Charles Gordon John Wayne was a tad too American for Genghis Khan Eric von Stroheim s bald head was an odd choice for the perfectly hirsute Erwin Rommel And Warren Beatty and Fay Dunaway were far too gorgeous for bank robbers Bonnie and Clyde Hollywood never gets it right History and its characters are endlessly complicated and producers directors and screenwriters have a simple story to tell They have a maximum of two hours to explain what happened over weeks or months or years and many of it give it their best shot Yet for all Hollywood s shortcomings in recreating the past it has managed to evoke eras and people long dead in a magical way that has kept millions of us enthralled for generations *Abbott and Costello in Hollywood* Bob Furmanek, Ron Palumbo, 1991 The president of the Abbott and Costello Fan Club and the personal archivist for the Abbott
