**The Red Menace** Ilise S. Carter, 2021-11-15 In America lipstick is the foundation of empires it's a signature of identity it's propaganda self-expression oppression freedom and rebellion It's a multi-billion dollar industry and one of our most iconic accessories of gender This engaging and entertaining history of lipstick from the colonies to the present will give readers a new view of the little tube's big place in modern America from defining the middle class to building Fortune 500 businesses to being present at Stonewall and being engineered for space travel Lipstick has served as both a witness and a catalyst to history it went to war with women it gave women of color previously unheard of business opportunities and was part of the development of celebrity and mass media In the Twentieth Century alone lipstick evolved from a beauty secret for a select few to a required essential for well-turned-out women but also a mark of rock n roll rebellion and a political statement How has this mainstay of the makeup kit remained relevant for over a century Beauty journalist Ilise S Carter suggests that it's because the simple lipstick says a lot From the provocative allure of a classic red lip to the powerful statement of drag the American love affair with lipstick is linked to every aspect of our experience of gender from venturing into the working world or running for the presidency **The Red Menace** will capture all of those dimensions with a dishy dose of fabulosity that makes it a must read for lipstick's fiercest disciples its harshest critics and everyone in between Mass Affluence Paul Nunes, Brian Johnson, 2004 This is the first book to explain how the fundamentals of marketing strategy must change in response to this broad-based increase in wealth The authors specifically address how to fine-tune a mass marketing approach that captures the value created from greater consumer affluence After years of expensive and largely ineffective attempts at one-to-one marketing and other complex varieties of microsegmentation the business environment is ripe for a switch back to the relative simplicity of a mass marketing mindset Flouts conventional wisdom the authors in-depth research uncovered that today's moneyed masses are completely different than the mass market of decades past in terms of how much they have to spend and what they are willing to spend it on Reveals the mass marketing strategies a range of companies have already successfully used to hit pay dirt with products ranging from oral care to laundry detergent to exotic automobiles

*Exhibitors Daily Review*, 1924 *Pleasing Everyone* Jeffrey Knapp (Professor of English), 2017 Shakespeare's plays were immensely popular in their own day so why do we refuse to think of them as mass entertainment In *Pleasing Everyone* author Jeffrey Knapp opens our eyes to the uncanny resemblance between Renaissance drama and the incontrovertibly mass medium of Golden Age Hollywood cinema Through fascinating explorations of such famous plays as *Hamlet* *The Roaming Girl* and *The Alchemist* and such celebrated films as *Citizen Kane* *The Jazz Singer* and *City Lights* Knapp challenges some of our most basic assumptions about the relationship between art and mass audiences Above all Knapp encourages us to resist the prejudice that mass entertainment necessarily simplifies and cheapens whatever it touches As Knapp shows it was instead

the ceaseless pressure to please everyone that helped generate the astonishing richness and complexity of Renaissance drama as well as of Hollywood film

**Cinematic Style** Jess Berry, 2022-01-27 From cinema's silent beginnings fashion and interior design have been vital to character development and narrative structure Despite spectacular technological advancements on screen stunning silhouettes and striking spaces still have the ability to dazzle to dramatic effect This book is the first to consider the significant interplay between fashion and interiors and their combined contribution to cinematic style from early film to the digital age With examples from Frank Lloyd Wright inspired architecture in Hitchcock's *North by Northwest* to Coco Chanel's costumes for Gloria Swanson and a *Great Gatsby* film set turned Ralph Lauren flagship *Cinematic Style* describes the reciprocal relationship between these cultural forms Exposing the bleeding lines between fashion and interiors in cinematic and real life contexts Berry presents case studies of cinematic styles adopted as brand identities and design movements promoted through filmic fantasy Shedding light on consumer culture social history and gender politics as well as on fashion film and interior design theory *Cinematic Style* considers the leading roles domestic spaces quaint cafes little black dresses and sharp suits have played in 20th and 21st century film
