Congress authorized the first ships of the New Navy and ordered removal of all obsolete ships All US Navy ships since that

The ships built during the next few years fought in the Spanish American War The success and popularity of the naval
victories of that war together with the acquisition of overseas territories were the impetus for a large naval shipbuilding
program The voyage around the world of the Great White Fleet was a prime example of the excitement felt by the American

demobilization after the war and the succeeding naval disarmament treaty of 1922 This book will be arranged following the
