the importance of further interdisciplinary collaboration for a big picture approach It brings together 16 articles covering archaeology in the broadest sense theory anthropology language ethnography and architecture to illustrate food traditions and history in Egypt and Sudan from as early as the 4th millennium BC to the 20th century Who Was Who in Egyptology Morris L. Bierbrier, 2021-12-31 The civilization of ancient Egypt has been a source of fascination for explorers and scholars for centuries and has occupied a special place in the imagination of the public ever since early travellers descriptions and illustrations of the strange culture of temples tombs and hieroglyphs began to circulate around the world The story of Egyptology from a hobby for the educated and wealthy to a highly formalized academic discipline provides the key to understanding how and why we know what we know about ancient Egypt This biographical dictionary tells the stories of the most important contributors and will be an indispensable reference tool for scholars and enthusiasts alike Who Was Who in Egyptology remains one of the most important reference works for understanding the characters that contributed to the field of Egyptology and Egyptian archaeology from the Napoleonic invasion of Egypt through to the present day The fifth edition brings entries up to 2019 and is expected to be the last volume produced in print
