Louisiana Native Guards The Black Milita

Bruce A. Glasrud

Louisiana Native Guards The Black Milita:

The Louisiana Native Guards James G. Hollandsworth, Jr., 1995-12 Early in the Civil War Louisiana's Confederate government sanctioned a militia unit of black troops the Louisiana Native Guards Intended as a response to demands from members of New Orleans substantial free black population that they be permitted to participate in the defense of their state the unit was used by Confederate authorities for public display and propaganda purposes but was not allowed to fight After the fall of New Orleans General Benjamin F Butler brought the Native Guards into Federal military service and increased their numbers with runaway slaves He intended to use the troops for guard duty and heavy labor His successor Nathaniel P Banks did not trust the black Native Guard officers and as he replaced them with white commanders the mistreatment and misuse of the black troops steadily increased The first large scale deployment of the Native Guards occurred in May 1863 during the Union siege of Port Hudson Louisiana when two of their regiments were ordered to storm an impregnable hilltop position Although the soldiers fought valiantly the charge was driven back with extensive losses The white officers and the northern press praised the tenacity and fighting ability of the black troops but they were still not accepted on the same terms as their white counterparts After the war Native Guard veterans took up the struggle for civil rights in particular voting rights for Louisiana's black population The Louisiana Native Guards is the first account to consider that struggle By documenting their endeavors through Reconstruction James G Hollandsworth places the Native Guards military service in the broader context of a civil rights movement that predates more recent efforts by a hundred years This remarkable work presents a vivid picture of men eager to prove their courage and ability to a world determined to exploit and demean them

Louisiana Native Guards -Lib James G. Hollandsworth, 1998-08-01 Early in the Civil War Louisiana's Confederate government sanctioned a militia unit of black troops the Louisiana Native Guards Intended as a response to demands from members of New Orleans substantial free black population that they be permitted to participate in the defense of their state the unit was used by Confederate authorities for public display and propaganda purposes but was not allowed to fight After the fall of New Orleans General Benjamin F Butler brought the Native Guards into Federal military service and increased their numbers with runaway slaves He intended to use the troops for guard duty and heavy labor His successor Nathaniel P Banks did not trust the black Native Guard officers and as he replaced them with white commanders the mistreatment and misuse of the black troops steadily increased The first large scale deployment of the Native Guards occurred in May 1863 during the Union siege of Port Hudson Louisiana when two of their regiments were ordered to storm an impregnable hilltop position Although the soldiers fought valiantly the charge was driven back with extensive losses The white officers and the northern press praised the tenacity and fighting ability of the black troops but they were still not accepted on the same terms as their white counterparts After the war Native Guard veterans took up the struggle for civil rights in particular voting rights for Louisiana's black population The Louisiana Native Guards is the first account to consider that struggle By

documenting their endeavors through Reconstruction James G Hollandsworth places the Native Guards military service in the broader context of a civil rights movement that predates more recent efforts by a hundred years This remarkable work presents a vivid picture of men eager to prove their courage and ability to a world determined to exploit and demean them As one of the Native Guard officers wrote his mother from Port Hudson in April 1864 Nobody really desires our success and it s uphill work

Legendary Locals of Shreveport Gary D. Joiner, John Andrew Prime, 2016-02-08 *Legendary Locals of Shreveport* chronicles fascinating people who have made a difference in the Shreveport Bossier City area Some are good some are bad and more than a few are wicked There are movie starlets entertainers decorated war veterans gangsters preachers madams politicians giants of industry and humble folk who rose to greatness or infamy Shreveport began as a rough and tumble frontier town that came late to being civilized A Baptist preacher shot one of Quantrill s Raiders when he rode his horse into church during a Sunday service The most famous madam in the region was also a suffragette The first successful bankers in Shreveport were immigrants from Prussia who developed a business model that extends into the modern era Shreveport lost one quarter of its population in less than a month due to a yellow fever epidemic And that is just the beginning

Legendary Locals of Shreveport Gary D. Joiner and John Andrew Prime, 2016-02-08 *Chronicles people who have made a difference in the Shreveport Bossier City area Some are good some are bad and more than a few are wicked There are movie starlets entertainers decorated war veterans gangsters preachers madams politicians giants of industry and humble folk who rose to greatness or infamy* Back cover

Waterfront Workers of New Orleans Eric Arnesen, 1994 During the nineteenth century American and foreign travelers often found New Orleans a delightful exotic stop on their journeys few failed to marvel at the riverfront the center of the city s economic activity But absent from the tourism industry s historical recollection is any reference to the immigrants or black migrants and their children who constituted the army of laborers along the riverfront and provided the essential human power to keep the cotton sugar and other goods flowing In examining one diverse group of workers the 10 000 to 15 000 cotton screwmen longshoremen cotton and round freight teamsters cotton yardmen railroad freight handlers and Mississippi River roustabouts this book focuses primarily on the workplace and the labor movement that emerged along the waterfront From the preface

The Civil War from Its Origins to Reconstruction James S. Pula, 2019-04-11 The period of Sectionalism Civil War and Reconstruction was the most traumatic in American history The outcome changed the foundations of the nation with effects still felt today While most Civil War histories focus on specific topics military history economics politics this book presents the narrative as it unfolded against a broader historical background Drawing on direct quotations from actual participants the author provides an interpretive overview of the issues and events that divided and then devastated the United States

The Struggle for Equality Orville Vernon Burton, Jerald Podair, Jennifer L. Weber, 2011-12-15 This collection of essays organized around the theme of the struggle for equality in the United States during the nineteenth and twentieth centuries also serves to honor the

renowned Civil War historian James McPherson Complete with a brief interview with the celebrated scholar this volume reflects the best aspects of McPherson's work while casting new light on the struggle that has served as the animating force of his lifetime of scholarship With a chronological span from the 1830s to the 1960s the contributions bear witness to the continuing vigor of the argument over equality Contributors **The Fiery Trial** Eric Foner, 2011-09-26 A masterwork by the preeminent historian of the Civil War era Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue American slavery A master historian Eric Foner draws Lincoln and the broader history of the period into perfect balance We see Lincoln a pragmatic politician grounded in principle deftly navigating the dynamic politics of antislavery secession and civil war Lincoln's greatness emerges from his capacity for moral and political growth **Brothers to the Buffalo Soldiers** Bruce A. Glasrud, 2011-03-21 During the late nineteenth and early twentieth centuries African American men were seldom permitted to join the United States armed forces There had been times in early U.S. history when black and white men fought alongside one another it was not uncommon for integrated units to take to battle in the Revolutionary War But by the War of 1812 the United States had come to maintain what one writer called a whitewashed army Yet despite that opposition during the early 1800s militia units made up of free black soldiers came together to aid the official military troops in combat Many black Americans continued to serve in times of military need Nearly 180,000 African Americans served in units of the U.S. Colored Troops during the Civil War and others from states such as Massachusetts Rhode Island Missouri and Kansas participated in state militias organized to protect local populations from threats of Confederate invasion As such the Civil War was a turning point in the acceptance of black soldiers for national defense By 1900 twenty-two states and the District of Columbia had accepted black men into some form of military service usually as state militiamen brothers to the buffalo soldiers of the regular army regiments but American military men regardless Little has been published about them but **Brothers to the Buffalo Soldiers Perspectives on the African American Militia and Volunteers 1865-1919** offers insights into the varied experiences of black militia units in the post-Civil War period The book includes eleven articles that focus either on Black Participation in the Militia or Black Volunteer Units in the War with Spain The articles collected and introduced by author and scholar Bruce A. Glasrud provide an overview of the history of early black citizen soldiers and offer criticism from prominent academics interested in that experience **Brothers to the Buffalo Soldiers** discusses a previously little-known aspect of the black military experience in U.S. history while deliberating on the discrimination these men faced both within and outside the military Chosen on the basis of scholarship balance and readability these articles provide a rare composite picture of the black military man's life during this period **Brothers to the Buffalo Soldiers** offers both a valuable introductory text for students of military studies and a solid source of material for African American historians **I Freed Myself** David Williams, 2014-04-21 This book examines the many ways in which African Americans made the Civil War about ending slavery

Abraham Lincoln's primary goal was to save the Union rather than to absolve the institution of slavery yet slaves who escaped to Union lines refused to fight for the Union while remaining enslaved ultimately forcing Lincoln to disband the institution

Captaining the Corps d'Afrique John Newton Chamberlin, 2016-07-14 I have stood by their side in the grim conflict wrote Union Captain John Chamberlin of the Corps d'Afrique Woe to the nation that long withholds their rights from them Chamberlin spent nearly five years in the South during and after the Civil War A well read observant and articulate writer he recorded his unique perspective as a commander of black soldiers and engineers More than everyday accounts of camp life and battles Chamberlin's letters and diaries here presented in historical context give an insider's view of the Union army's relationship with black troops and of the political and social implications of wartime events Late in the war his correspondence focused on a schoolmate Anna Bullock and their burgeoning relationship

Fact and Fiction of the Civil War Ryan Gale, 2021-08-01 Sparked by the secession of the Southern states and the creation of the Confederacy the Civil War raged between 1861 and 1865 But many popular stories about the Civil War have gotten some facts wrong and left out others altogether Fact and Fiction of the Civil War dives into the myths about the war fought over slavery and brings the truth to light Easy to read text vivid images and helpful back matter give readers a clear look at this subject Features include a table of contents infographics a glossary additional resources and an index Aligned to Common Core Standards and correlated to state standards Core Library is an imprint of Abdo Publishing a division of ABDO

American Civil War Justin D. Murphy, 2019-06-24 By providing detailed analyses of Civil War primary sources this book will help readers to understand the history of the bloodiest of all American conflicts This meticulously curated collection of primary source documents covers every aspect of the American Civil War from its origins to its bloody engagements all the way through the Reconstruction period With approximately 300 primary sources this comprehensive set includes orders and reports of significant battles political debates and speeches legislation court cases and literary works from the Civil War era The documents provide insight into the thinking of all participants drawing upon a vast range of sources that offer both a Northern and Southern perspective The book gives equal treatment to the Eastern and Western Theaters and to Union and Confederate sources and the primary sources are presented in chronological order making it easy for readers to compare and contrast documents as the key events of the conflict unfold Each primary source begins with an introduction that sets the document in its proper context and concludes with an analysis of the document that will help students to understand the document's significance

U.S. Colored Troops Defeat Confederate Cavalry Edwin W. Besch, 2017-04-10 Wilson's Wharf was the first major clash between U S Colored Troops and the Army of Northern Virginia The 1st and 10th USCT infantry regiments supported by two cannon and two U S Navy gunboats faced 11 detachments of veteran Confederate cavalry who were under orders to kill every man Union commander General Edward Wild a one armed abolitionist refused General Fitzhugh Lee's demand for surrender telling Lee to go to Hell The battle resulted in a victory for the mainly black Union force This book describes the

action in detail and in the larger context of the history of black U S servicemen including the British recruitment of runaway slaves during the Revolutionary War the black Colonial Marines who joined the British in torching Washington in the War of 1812 and the South s attempts to enlist slaves in the final months of the Civil War **The Black Phalanx** Joseph Thomas Wilson,1890 **Louisiana's Black Heritage** ,1979 **Intimate Partner Violence in New Orleans** Ashley Baggett,2017-10-13 Ashley Baggett uncovers the voices of abused women who utilized the legal system in New Orleans to address their grievances from the antebellum era to the end of the nineteenth century Poring over 26 000 records Baggett analyzes 421 criminal cases involving intimate partner violence physical or emotional abuse of a partner in a romantic relationship revealing a significant demand among women the community and the courts for reform in the postbellum decades Before the Civil War some challenges and limits to the male privilege of chastisement existed but the gendered power structure and the veil of privacy for families in the courts largely shielded abusers from criminal prosecution However the war upended gender expectations and increased female autonomy leading to the demand for and brief recognition of women s right to be free from violence Baggett demonstrates how postbellum decades offered a fleeting opportunity for change before the gender and racial expectations hardened with the rise of Jim Crow Her findings reveal previously unseen dimensions of women s lives both inside and outside legal marriage and women s attempts to renegotiate power in relationships Highlighting the lived experiences of these women Baggett tracks how gender race and location worked together to define and redefine gender expectations and legal rights Moreover she demonstrates recognition of women s legal personhood as well as differences between northern and southern states trajectories in response to intimate partner violence during the nineteenth century Slavery and the Making of America James Oliver Horton,Lois E. Horton,2005 This companion volume to the four part PBS series on the history of American slavery narrated by Morgan Freeman and scheduled to air in February 2006 illuminates the human side of this inhumane institution presenting it largely through the stories of the slaves themselves Features 120 illustrations **Civil War African American Soldiers** Pasquale De Marco,2025-04-22 In the annals of American history the Civil War stands as a transformative conflict that reshaped the nation s destiny This comprehensive volume delves into the complexities of the war exploring its origins key events and profound impact on the United States The book begins by examining the roots of the conflict shedding light on the contentious issue of slavery and the growing divide between the Northern and Southern states It delves into the political debates abolitionist movements and economic factors that fueled the tensions leading up to the outbreak of war As the conflict unfolds the book chronicles the major battles and campaigns highlighting the strategies tactics and sacrifices made by both sides It analyzes the leadership of Abraham Lincoln and Jefferson Davis contrasting their visions for the nation s future Beyond the military narrative the book explores the social and cultural dimensions of the war It examines the experiences of enslaved people the role of women and the struggles of soldiers on both sides It also delves into the impact of

the war on society including the disruption of daily life the emergence of new technologies and the transformation of the American landscape Furthermore the book investigates the political and constitutional implications of the war It analyzes the Emancipation Proclamation the Thirteenth Amendment and the Reconstruction Era highlighting the challenges and successes of rebuilding a nation torn apart by conflict The book concludes by reflecting on the legacy of the Civil War It examines the lasting impact of the war on American identity race relations and the nation s ongoing pursuit of equality and justice It also explores the ways in which the war continues to be remembered and commemorated shaping the collective memory of the United States Throughout the book readers will find a wealth of historical insights engaging narrative and thought provoking analysis Civil War African American Soldiers offers a comprehensive and nuanced understanding of one of the most pivotal moments in American history If you like this book write a review on google books **The Black Phalanx**
