The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Situating the Beast Andrea Rossing McDowell,2001 Marc Chagall Victoria Charles,2011-07-01 Marc Chagall was born into a strict Jewish family for whom the ban on representations of the human figure had the weight of dogma A failure in the entrance examination for the Stieglitz School did not stop Chagall from later joining that famous school founded by the Imperial Society for the Encouragement of the Arts and directed by Nicholas Roerich Chagall moved to Paris in 1910 The city was his second Vitebsk At first isolated in the little room on the Impasse du Maine at La Ruche Chagall soon found numerous compatriots also attracted by the prestige of Paris Lipchitz Zadkine Archipenko and Soutine all of whom were to maintain the smell of his native land From his very arrival Chagall wanted to discover everything And to his dazzled eyes painting did indeed reveal itself Even the most attentive and partial observer is at times unable to distinguish the Parisian Chagall from the Vitebskian The artist was not full of contradictions nor was he a split personality but he always remained different he looked around and within himself and at the surrounding world and he used his present thoughts and recollections He had an utterly poetical mode of thought that enabled him to pursue such a complex course Chagall was endowed with a sort of stylistic immunity he enriched himself without destroying anything of his own inner structure Admiring the works of others he studied them ingenuously ridding himself of his youthful awkwardness yet never losing his authenticity for a moment At times Chagall seemed to look at the world through magic crystal overloaded with artistic experimentation of the Ecole de Paris In such cases he would embark on a subtle and serious play with the various discoveries of the turn of the century and turned his prophetic gaze like that of a biblical youth to look at himself ironically and thoughtfully in the mirror Naturally it totally and uneclectically reflected the painterly discoveries of C zanne the delicate inspiration of Modigliani and the complex surface rhythms recalling the experiments of the early Cubists See Portrait at the Easel 1914 Despite the analyses which nowadays illuminate the painter s Judaeo Russian sources inherited or borrowed but always sublime and his formal relationships there is always some share of mystery in Chagall s art The mystery perhaps lies in the very nature of his art in which he uses his experiences and memories Painting truly is life and perhaps life is painting **Bibliographie D'histoire de L'art** ,1991 World Painting Index: Third Supplement 1990-1999 Patricia Pate Havlice,2003 A monumental reference work designed to eliminate many of the problems encountered in the search for a reproduction of a particular painting **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **Marc Chagall - Vitebsk -Paris -New York** Mikhail Guerman,Sylvie Forestier,Donald Wigal,2019-12-09 Chagall loved blue The blue of the sky which ceaselessly combats the clouds which pass which pass Baudelaire Marc Chagall s journey began in his native

Russia and concluded with his Parisian triumph the extraordinary ceiling of the Paris Opera House commissioned by Andr Malraux On the way he embraced the spirit of the twentieth century without ever disowning his Jewish Russian origins This work follows the path of the artist through his early works his discovery of the United States and his passion for France Marc Chagall unaffiliated with any movement but influenced by his encounters with Bakst Matisse and Picasso remains undeniably the painter of poetry **American Book Publishing Record** ,2003 **Marc Chagall** Sidney Alexander,1979
