Marc Joseph American Pitbull:

American Pitbull Marc Joseph, 2005 In this large abundantly illustrated volume Joseph attempts to document the American Pitbull Terrier as owned throughout the country What emerges however is a single sided often stereotypical view of the pitbull owners themselves a portrait that is nevertheless evocatively captured With Dogs at the Edge of Life Colin Dayan, 2015-12-08 In this original and provocative book Colin Dayan tackles head on the inexhaustible world at once tender and fierce of dogs and humans We follow the tracks of dogs in the bayous of Louisiana the streets of Istanbul and the humane societies of the United States and in the memories and myths of the humans who love them Dayan reorients our ethical and political assumptions through a trans species engagement that risks as much as it promises She makes a powerful case for questioning what we think of as our deepest held beliefs and with dogs in the lead unsettles the dubious promises of liberal humanism Moving seamlessly between memoir case law and film Dayan takes politics and animal studies in a new direction one that gives us glimpses of how we can think beyond ourselves and with other beings Her unconventional perspective raises hard questions and renews what it means for any animal or human to live in the twenty first century Nothing less than a challenge for us to confront violence and suffering even in the privileged precincts of modernity this searing and lyrical book calls for another way to think the world Theoretically sophisticated yet aimed at a broad readership With Dogs at the Edge of Life illuminates how dogs and their struggles take us beyond sentimentality and into a form of thought that can make a difference to our lives American Photo ,2005-05 I'm a Good Dog Ken Foster, 2012-10-25 Filled with inspiring stories and photographs this heartfelt tribute to the pit bull celebrates one of America's most popular yet misunderstood dogs Perhaps more than any other breed the pit bull has been dogged by negative stereotypes In truth pit bulls are innately wonderful family pets as capable of love and good deeds as any other type of dog Setting the record straight Ken Foster sings the praises of pit bulls in I m a Good Dog a gorgeously illustrated tenderly written tribute to this most misunderstood of canines Founder of the Sula Foundation which promotes responsible pit bull ownership in New Orleans and the author of two acclaimed books about abandoned dogs Foster has made it his mission to bring overlooked canines into the limelight I m a Good Dog traces the fascinating history of this particularly maligned breed A century ago the pit bull was considered a family dog featured in family photos and trusted as loving companions for children More recently pit bulls have been portrayed by the media as stereotypes of everything they are not Foster shatters that reputation through moving profiles of pit bulls that serve as therapy dogs athletic heroes search and rescue dogs and educators not to mention as loving pets Foster also profiles many pit bull lovers from Helen Keller and Dr Seuss to actor Todd Cerveris who took his pit bull on tour with him for the musical Spring Awakening Proving that there s much to love and nothing to fear I m a Good Dog restores the pit bull to its rightful place as friend family member athlete and entertainer De honden die we ziin Alex Boogers, Leon Verdonschot, 2025-09-30 Waar we het over hebben als we het over onze trouwe vriend hebben The Fader
