Fleissner, 2020-10-15 The 1890s have long been thought one of the most male oriented eras in American history But in reading such writers as Frank Norris with Mary Wilkins Freeman and Charlotte Perkins Gilman with Stephen Crane Jennifer L. Better a Shrew than a Sheep Pamela Allen Brown, 2018-08-06 In a study that explodes the assumption that early modern comic culture was created by men for men Pamela Allen Brown shows that jest books plays and ballads represented women as laugh getters and sought out the laughter of ordinary women Disputing the claim that non elite women had little access to popular culture because of their low literacy and social marginality Brown demonstrates that women often bested all comers in the arenas of jesting gaining a few heady moments of agency Juxtaposing the literature of jest against court records sermons and conduct books Brown employs a witty entertaining style to propose that non elite women used jests to test the limits of their subjection She also shows how women s mocking laughter could function as a means of social control in closely watched neighborhoods While official culture beatified the sheep like wife and disciplined the scold jesting culture often applauded the satiric shrew whether her target was priest cuckold or rapist Brown argues that listening for women s laughter can shed light on both the dramas of the street and those of the stage plays from The

Massacre of the Innocents to *The Merry Wives of Windsor* to *The Woman's Prize* taught audiences the importance of gossip alliances as protection against slanderers lechers tyrants and wife beaters Other jests ballads jigs and plays show women reveling in tales of female roguery or scoffing at the perverse patience of Griselda As Brown points out some women found Griselda types annoying and even foolish better be a shrew than a sheep
