Nobodys Fool The Lives Of Danny Kaye:

Nobody's Fool Martin Gottfried, 2002-06-07 Gottfried's capably researched and recounted biography offers a none too flattering glimpse into Kaye's well guarded personal life including his egotism cruelty his strained marriage and his flirtations and affairs His career is treated in detail from his obvious early talent to the creation of his acting personae and his sad professional and personal decline before his death in 1987 Lacks a bibliography Annotation copyright by Book News Inc Portland OR **Nobody's Fool** Martin Gottfried, 1994 Nobody's Fool (Danny Kaye) Martin Gottfried, 1996-06-01

Queer Movie Medievalisms Tison Pugh, 2016-12-05 How is history even possible since it involves recapturing a past already lost It is through this urge to understand feel and experience that films based on medieval history are made They attempt to re create the past but can only do so through a queer re visioning that inevitably replicates modernity In these mediations between past and present history becomes misty and so too do constructions of gender and sexuality leading to the impossibility of heterosexuality or of any sexuality predicated upon cinematic medievalism *Queer Movie Medievalisms* is the first book of its kind to grapple with the ways in which mediations between past and present as registered on the silver screen queerly undercut assumptions about sexuality throughout time It will be of great interest to scholars of Gender and Sexuality Cultural and Media Studies Film Studies and Medieval History *The Haunted Smile* Lawrence J.

Epstein, 2008-08-05 Lawrence Epstein's *The Haunted Smile* tackles a subject both poignant and delightful the story of Jewish comedians in America For the past century and more American comedy has drawn its strength and soul from the comic genius of Jewish performers and writers An incomplete listing of names makes the point The Marx Brothers Jack Benny Fanny Brice George Burns Milton Berle Jackie Mason Joan Rivers Rodney Dangerfield Mel Brooks Alan King Mort Sahl Buddy Hackett Woody Allen Lenny Bruce Andy Kaufman Richard Belzer Jerry Seinfeld These men and women among others form the canon of Jewish American comedy In the words of the *Detroit Jewish News* *The Haunted Smile* offers us a deep and subtle understanding of how Jewish culture and American openness gave birth to a new style of entertainment Often the best way to illuminate a point is to recount some of these comedians own brilliant routines and Epstein uses the comedian's work to great effect making for a book that is both a thoughtful work of history and a great deal of fun **Lady in the Dark**

Bruce D. McClung, 2009-02-16 When *Lady in the Dark* opened on January 23 1941 its many firsts immediately distinguished it as a new and unusual work The curious directive to playwright Moss Hart to complete a play about psychoanalysis came from his own Freudian psychiatrist For the first time since his brother George's death Ira Gershwin returned to writing lyrics for the theater And for migr composer Kurt Weill it was a crack at an opulent first class production Together Hart Gershwin and Weill with a little help from the psychiatrist produced one of the most innovative works in Broadway history With a company of 101 and an astronomical budget *Lady in the Dark* launched the career of a young nightclub performer named Danny Kaye and starred Gertrude Lawrence in the greatest triumph of her career With standees at many performances *Lady in the Dark*

helped establish the practice of advance ticket sales on the Great White Way while Paramount Pictures bid for the film rights broke all records New York Times drama critic Brooks Atkinson hailed the production as splendid anointed Kurt Weill the best writer of theatre music in the country and worshiped Gertrude Lawrence as a goddess Though *Lady in the Dark* was a smash hit it has never enjoyed a Broadway revival and a certain mystique has grown up around its legendary original production In this ground breaking biography Bruce McClung pieces together the musical's life story from sketches and drafts production scripts correspondence photographs costume and set designs and thousands of clippings from the star's personal scrapbooks He has interviewed eleven members of the original company to provide a one of a kind glimpse into the backstage story The result is a virtual ticket to opening night the saga of how this musical play came to be and the string of events that saved the experimental show at every turn Although America was turned upside down by Pearl Harbor after the production was on the boards *Lady in the Dark* played an important role for the war effort and rang up 777 performances in 12 cities In what may be the most illuminating study of a single Broadway musical this biography brings *Lady in the Dark* back to the spotlight and puts readers in the front row **The Oxford Handbook of Children's Film** Noel Brown, 2022

Offers a comprehensive and wide ranging study of children's film Takes an interdisciplinary approach that encompasses contributions from scholars in the fields of film studies children's education children's media studies children's literature studies animation studies and fandom studies Features an international scope covering iconic films from Hollywood including Disney as well as from Britain France Germany Sweden Norway Hungary Australia China Japan South Korea India Iran and Kenya Includes chapters written from a range of critical approaches to children's film including genre ideology narrative stardom music industry studies and primary research on audiences and reception Book jacket *The Gay & Lesbian*

Demographic Angst Alan Nadel, 2017-12-26 Prolific literature both popular and scholarly depicts America in the period of the High Cold War as being obsessed with normality implicitly figuring the postwar period as a return to the way of life that had been put on hold first by the Great Depression and then by Pearl Harbor *Demographic Angst* argues that mandated normativity as a political agenda and a social ethic precluded explicit expression of the anxiety

produced by America's radically reconfigured postwar population Alan Nadel explores influential non-fiction books magazine articles and public documents in conjunction with films such as *Singin in the Rain* *On the Waterfront* *Sunset Boulevard* and *Sayonara* to examine how these films worked through fresh anxieties that emerged during the 1950s **White Writers, Race Matters** Gregory S. Jay, 2018 Jay shows that this tradition of white authored protest fiction about racism in America remains vital because every generation must relearn the lessons of antiracism and formulate effective cultural narratives for transmitting intellectual and affective tools useful in fighting injustice **Olivier** Terry Coleman, 2006-10-31 Based on exclusive unprecedented access the definitive biography of Sir Laurence Olivier the dashing self-invented Englishman who became the greatest actor of the twentieth century Sir Laurence Olivier met everyone knew everyone and played every role in existence But Olivier was as elusive in life as he was on the stage a bold and practiced pretender who changed names altered his identity and defied characterization In this mesmerizing book acclaimed biographer Terry Coleman draws for the first time on the vast archive of Olivier's private papers and correspondence and those of his family finally uncovering the history and the private self that Olivier worked so masterfully all his life to obscure Beginning with the death of his mother at age eleven Olivier was defined throughout his life by a passionate devotion to the women closest to him Acting and sex were for him inseparable through famous romances with Vivien Leigh and Joan Plowright and countless trysts with lesser known mistresses these relationships were constantly entangled with his stage work each feeding the other and driving Olivier to greater heights And the heights were great at every step he was surrounded by the foremost celebrities of the time on both sides of the Atlantic Richard Burton Greta Garbo William Wyler Katharine Hepburn The list is as long as it is dazzling Here is the first comprehensive account of the man whose autobiography written late in his life told only a small part of the story In Olivier Coleman uncovers the origins of Olivier's genius and reveals the methods of the century's most fascinating performer Britain Had Talent Oliver Double, 2012-09-19 In the first major academic work to examine British variety theatre Double provides a detailed history of this art form and analyses its performance dynamics and techniques Encompassing singers comedians dancers magicians ventriloquists and diverse speciality acts this vibrant book draws on a series of new interviews with variety veterans The ^AOxford Companion to the American Musical Thomas S. Hischak, 2008-06-02 Here is an engaging and authoritative reference to this highly popular genre the only such book to cover stage film and television musicals in one volume With more than two thousand entries this book offers a wealth of information on musicals performers composers lyricists producers choreographers and much more Many musicals written specifically for television are included and many entries follow a work as it moves across genres from stage to film to television The Companion also includes cross references a comprehensive listing of recommended recordings and a useful chronological listing of all the musicals described in the book **Making Mountains** David Stradling, 2009-11-23 For over two hundred years the Catskill Mountains have been repeatedly and dramatically transformed by New York City In *Making Mountains* David Stradling

shows the transformation of the Catskills landscape as a collaborative process one in which local and urban hands capital and ideas have come together to reshape the mountains and the communities therein This collaboration has had environmental economic and cultural consequences Early on the Catskills were an important source of natural resources Later when New York City needed to expand its water supply engineers helped direct the city toward the Catskills claiming that the mountains offered the purest and most cost effective waters By the 1960s New York had created the great reservoir and aqueduct system in the mountains that now supplies the city with 90 percent of its water The Catskills also served as a critical space in which the nation s ideas about nature evolved Stradling describes the great influence writers and artists had upon urban residents especially the painters of the Hudson River School whose ideal landscapes created expectations about how rural America should appear By the mid 1800s urban residents had turned the Catskills into an important vacation ground and by the late 1800s the Catskills had become one of the premiere resort regions in the nation In the mid twentieth century the older Catskill resort region was in steep decline but the Jewish Borscht Belt in the southern Catskills was thriving The automobile revitalized mountain tourism and residence and increased the threat of suburbanization of the historic landscape Throughout each of these significant incarnations urban and rural residents worked in a rough collaboration though not without conflict to reshape the mountains and American ideas about rural landscapes and nature [The Advocate](#),1994-06-28 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States
