Norman Vincent Peale ,1994 Norman Vincent Peale BBS Publishing Corporation,Norman Vincent Peale,1994-10 A collection of writings which were inspirational to the father of positive thinking poems inspiring stories hymns prayers and quotations from literature and history *A Call to Inspire* ,Ken,2019-02-15 A Call to Inspire is a roadmap to a closer more intimate relationship with the Holy Spirit Travel with the authors just plain folks and witness the extraordinary moments God intended for them in ordinary events Their experiences were orchestrated by the Holy Spirit in answer to frequent prayers asking Him to use them as His instrument His ways were not spectacular yet He responded supernaturally with blessings immeasurably more than all we ask or imagine Ephesians 3 20 NIV You can experience the same You can learn from A Call to Inspire what Naaman learned from his experience with the Prophet Elisha 2 Kings 5 Naaman was a Syrian military commander who had leprosy In response to an Israelite servant girl s suggestion that he seek healing from Elisha Naaman went to Elisha s house Elisha refused to meet Naaman personally but sent a message to wash in the Jordan River seven times Naaman left in a rage because he expected Elisha to personally call upon his God for a miraculous healing Naaman s servants urged him to follow Elisha s directions Naaman yielded and was completely healed Naaman s pride and lack of obedience in faith were almost his undoing Naaman learned as you will that God s ways aren t always what we expect God does not always respond to those looking for a spectacular sign but more often to those seeking Him in the ordinary and mundane He intervenes in ways most people consider fate luck or coincidence Your book is a classic example Pastor Jeff Harter Obviously each chapter is longer than a typical daily devotional but it has the same effect edification for the believer and encouragement to see the Spirit s work in our own daily lives You and Linda have some intriguing and inspiring stories to share Pastor E J Sweeney *Ayn Rand Nation* Gary Weiss,2024-05-01 Thirty years after her death in March 1982 Ayn Rand s ideas have never been more important Unfettered capitalism unregulated business bare bones government providing no social services glorification of selfishness disdain for Judeo Christian morality these are the tenets of Rand s harsh philosophy In *Ayn Rand Nation* Gary Weiss explores the people and institutions that remain under the spell of the Russian born novelist He provides new insights into Rand s inner circle in the last years of her life with revelations of never before publicized predictions by Rand that still resonate today Weiss charts Rand s infiltration of the Tea Party and Libertarian movements and provides an inside look at the radical belief system that has exerted a powerful influence on the Republican Party and its presidential candidates It s a fascinating cast of characters that ranges from Glenn Beck to Oliver Stone and includes Rand s most influential disciple Alan Greenspan Weiss describes in penetrating detail how Greenspan became a stalking horse for Rand slashing and burning regulations with ideological zeal and then seeking to conceal her influence on his life and thinking Lastly Weiss provides a strategy for a renewed national dialogue an embrace of the nation s core values that is needed to deal with Rand s pervasive grip on society From *The Fountainhead* and *Atlas Shrugged* to Rand s lesser
