North Side Story:

North Side Story Frank W. Pandozzi, 2003 They were called the Back Alley Boys and best define the North Side of Syracuse New York during the 50s and 60s Although not as legendary as the Dead End Kids portrayed in the movies of the 1930s they had their own flare for drama But North Side story is not just a story about growing up on the North Side in the 50s and 60s It is also a story of a changing neighborhood Names like Stretch Axle Scams and Boogers are now gone Today the North Side residents have names like Cuong Danh and Ai Just as the immigrant grandparents of the Back Alley Boys had once struggled to come to this country so did the Vietnamese boatpeople North Side story is their story as well

Northside Story Suzanne Provenzano, 2017-12-07 Northside Story rich with affirmations and positive analogies that exist between nature and humanity may help children cope with the struggles in their own lives Northside Story is a unique twist on a timeless love story about two kids from opposite sides of the tracks One is manor raised on the south side and the other struggles daily for survival on the north side of the gardener s shed Nature provides the characters and the setting which allows young children their first opportunity to understand life s issues through the great outdoors It offers them perspectives that can enhance their feelings of confidence and well being I ve used flowers and weeds and the landscape to teach lessons about love and acceptance The story strives to introduce them to Pandora s final gift hope **Legal**

Intelligencer ,1850 **The Legal Intelligencer...** ,1856 **The Amusement Park at Sloan's Lake** David Forsyth, 2024-04-01 Sloan s Lake had a long history of entertaining Denver residents with boating fishing swimming and a steamboat canal built in the 1870s In 1890 Adam Graff and his partners opened a new park on the shore of Sloan s Lake that would eventually become Manhattan Beach Originally created as a summer pleasure resort with a highly respected summer theater boating fishing and music the park quickly expanded to include typical amusement attractions including Denver s first roller coaster and merry go round When the concept of the amusement park was created in 1895 with the opening of Sea Lion Park on Coney Island in New York Manhattan Beach was already a step ahead of rivals Elitch Gardens and Arlington Park Operating from 1890 to 1914 Manhattan Beach Amusement Park was the first true amusement park in Denver and was enjoyed by residents and visitors for nearly twenty five years as Denver tried to shake off its image as a dusty cow town from gold mining days and fought to be seen as a sophisticated and well developed city Manhattan Beach played an important role in amusement park history in the United States but its full story has never before been told Manhattan Beach s story is an important addition to both Denver and Colorado s history as it reflects the city s growth during the late 1800s and early 1900s The park has also inspired many legends the most famous of which concerns Roger the Elephant who arrived at Manhattan Beach in 1891 and his supposed death and burial in a swamp near the park Much of what has been told about Manhattan Beach in the years since it closed is more myth than fact as this book demonstrates After the amusement park closed in 1914 the city of Denver purchased the land and turned it into Sloan s Lake Park which continues to be a gathering
