prophecies that were offered to the world in an effort to educate mankind in reference to human iniquities and the effects thereof rendered upon the world in which we live But even more the verses were intended to help people reconnect to the Divine seeing that the spiritual world is a reality that we cannot ignore Nostradamus wrote exclusively and specifically about Three Temporal Kings who would rise to power resulting from political events beginning in about 1700 A D These Antichrists would change the course of history and life on earth for beyond three hundred years until the biblical end of the world when the entire cosmic order would change into a new age This message of the old prophet coincides directly with the messages of the honored biblical prophecies Not even taking into account the fact of strong evidence that the quatrains are divine and intended to educate humans in reference to a higher evolutionary path they have remained in print since the sixteenth century are a vital part of literature today and more than likely will be around for a very long time

truly understand the full intent of all of the writings of Nostradamus the Pr sages the Sixains and the Centuries and how they were designed to support each other The prophecies in the surface verses alone serve a valid purpose In addition these writings hide the same secret ciphered legend The secret legend is encoded into the original written verses of the three mentioned writings of Nostradamus and this current work reveals the first volume of that deciphered secret legend
