Not In My Back Yard The Handbook:

Not in My Back Yard Jane Anne Morris,1994 *My Pet Chicken Handbook* Lissa Lucas,Traci Torres,2014-02-04

Backyard chickens are the new it pet and with good reason They re personable cheerful beautiful and mostly low maintenance But they re not without their quirks and their sometimes puzzling behaviors that cause concern for chicken keeping newbies and veterans alike Let the experts at My Pet Chicken guide you to a successful chicken keeping experience with their insightful advice unique problem solving approach and sunny side up outlook An informative insider s guide My Pet Chicken Handbook teaches just about everything you need to know to manage your own flock Los Angeles Times My Pet Chicken Handbook helps you make expert choices from the beginning including whether chickens are right for you and if they are how you can avoid the most common oh no experiences You ll find detailed care instructions for chickens of all ages from baby chicks to mature adults to help ensure a friendly flock and a relaxing hobby Becoming a responsible chicken parent is a breeze when you discover how to choose the best breed for your needs understand what type of coop is right for your situation plan a daily routine learn about biosecurity practices and recognize signs of distress Once your pet chickens start laying you ll find more than 50 delicious recipes that feature freshly collected eggs and as a bonus you ll have tons of fun making nutritious special treats for your favorite pet chickens

A Field Guide to Your Own Back Yard (Second Edition) John Hanson Mitchell,2014-03-18 A lyrical field guide to the natural world surrounding the eastern U S s residential areas profiles a wide variety of plant animal and insect life in a reference that offers insight into birdfeeder behaviors woodpile ecology and more

The Complete Guide to Building Backyard Ponds, Fountains, and Waterfalls for Homeowners Melissa Samaroo,2012 Whether you are looking to create a lush outdoor paradise complete with waterfalls and fish filled ponds or you simply want a conservative balcony fountain this book can show you how to build your own backyard escape no matter your budget

A Field Philosopher's Guide to Fracking Adam Briggie,2015-10-01 Winner of the Writers League of Texas Book Awards Finalist for the J Anthony Lukas Book Prize From the front lines of the fracking debate a field philosopher explores one of our most divisive technologies When philosophy professor Adam Briggie moved to Denton Texas he had never heard of fracking Only five years later he would successfully lead a citizens initiative to ban hydraulic fracturing in Denton the first Texas town to challenge the oil and gas industry On his journey to learn about fracking and its effects he leaped from the ivory tower into the fray In beautifully narrated chapters Briggie brings us to town hall debates and neighborhood meetings where citizens wrestle with issues few fully understand Is fracking safe How does it affect the local economy Why are bakeries prohibited in neighborhoods while gas wells are permitted next to playgrounds In his quest for answers Briggie meets people like Cathy McMullen Her neighbors cows asphyxiated after drinking fracking fluids and her orchard was razed to make way for a pipeline Cathy did not consent to drilling but those who profited lived far out of harm s way Briggie s first instinct was to think about fracking deeply Drawing on philosophers from Socrates to Kant

but also on conversations with engineers legislators and industry representatives he develops a simple theory to evaluate fracking we should give those at risk to harm a stake in the decisions we make and we should monitor for and correct any problems that arise Finding this regulatory process short circuited with government and industry alike turning a blind eye to symptoms like earthquakes and nosebleeds Briggie decides to take action Though our field philosopher is initially out of his element joining fierce activists like Texas Sharon once called the worst enemy of the oil and gas industry his story culminates in an underdog victory for Denton now nationally recognized as a beacon for citizens rights at the epicenter of the fracking revolution

The Chicken Chick's Guide to Backyard Chickens Kathy Shea Mormino,2017-10-01 The Chicken Chick's Guide to Backyard Chickens takes readers through all aspects of small flock care including feeding housing chicken health and more Internationally known as The Chicken Chick Kathy Shea Mormino brings an informative style and fresh perspective on raising backyard chickens to millions of fans around the world An attorney by profession Kathy is the founder and one woman creative force behind her wildly popular and award winning Facebook page and blog Sharing her years of hard earned experience and collaborations with poultry veterinarians nutritionists and professors she provides simple steps to care for these uncommon pets with confidence Kathy's personality permeates the book as she guides newbie veteran and would be backyard chickeneers alike in this fun and abundantly illustrated format that she has delivered on her blog for years
