The History of the Philippines Kathleen Nadeau,2020-04-03 Explore the rich history of the Philippines from pre colonial times through to the political cultural and environmental events of the 2010s Readers will find a wealth of information on pre colonial and post colonial historical periods covering the Philippines earliest inhabitants Also covered are the modern tyrannical periods of the Marcos dictatorship and former President Duterte s controversial war on drugs as well as the more optimistic and promising presidencies in between Among the many topics covered in this second edition are the feminization of outmigration that peaked at the end of the 20th century globalization and the spread of export processing zones and the impact of the call center culture coupled with that of the overseas diaspora on the changing structure of the traditional family Ideal for high school and undergraduate readers this volume includes expanded and new chapters as well as an updated timeline and annotated bibliography

Philippine Teacher ,1929 *The Work of Empire* Justin F. Jackson,2025-05-01 In 1898 on the eve of the Spanish American War the US Army seemed minuscule and ill equipped for global conflict Yet over the next fifteen years its soldiers defeated Spain and pacified nationalist insurgencies in both Cuba and the Philippines Despite their lack of experience in colonial administration American troops also ruled and transformed the daily lives of the 8 million people who inhabited these tropical islands How was this relatively small and inexperienced army able to wage wars in Cuba and the Philippines and occupy them American soldiers depended on tens of thousands of Cubans and Filipinos both for military operations and civil government Whether compelled to labor for free or voluntarily working for wages Cubans and Filipinos suspended between civilian and soldier status enabled the making of a new US overseas empire by interpreting guiding building selling sex and many other kinds of work for American troops In *The Work of Empire* Justin Jackson reveals how their labor forged the politics economics and culture of American colonialism in Cuba and the Philippines and left an enduring imprint on these islands and the US Army itself Jackson offers new ways to understand the rise of American military might and how it influenced a globalizing imperial world
