Westchester County, a Pictorial History Susan Cochran Swanson, Elizabeth Green Fuller, 1982 *History of Westchester County, New York* Frederic Shonnard, 1900 **History of Westchester County, New York** Frederic Shonnard, 2017-12-16 Excerpt from History of Westchester County New York From Its Earliest Settlement to the Year 1900 Long before the work now given to the public was conceived as a practical project the present editor realized the force of these considerations and cherished not only a hope that a genuine narrative history of the county might some day be produced but an ambition to

become personally instrumental in achieving so important a result His attention was especially directed to the matter by his observations during his connection with the schools from which he became convinced of the extremely elementary character of the general knowledge of this county's history even in relation to the Revolution whereof indeed anything like a well coordinated understanding is most exceptional among the people and quite incapable of being taught to the young because of the unsuitability for that purpose of all books heretofore published that bear on the subject About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
