Pierre Loti, Notes of My Youth Samuel Viaud,1979-01 *Pierre Loti, Notes of My Youth, Fragments of a Diary*
Assembled by His Son, Samuel Viaud Pierre Loti,1924 **Notes of My Youth** Pierre Loti,1924 **The American Mercury**
,1925 **The American Mercury** Henry Louis Mencken,1925 **In Love with a Handsome Sailor** Richard M.
Berrong,2003-01-01 Writing at first anonymously and later under the pen name Pierre Loti French author Julien Viaud 1850
1923 produced a series of fictions that sympathetically portrayed male same sex desire and its accompanying societal
conflicts Due to the constraints of the time Viaud had to develop various strategies for discussing his subject covertly his
success in doing so is demonstrated by the great critical and commercial success he enjoyed during his lifetime which
included his election to the French Academy at age forty one Richard Berrong presents a gay reading of the novels and
novellas of Julien Viaud chronologically tracing his development of a distinct homosexual identity and the strategies that he
employed to discuss it in a way that would not be obvious to the general public In so doing Berrong asserts that Viaud s
development of a homosexual identity undermined and realigned dominant constructions of masculinity presented the need
for gay community and elaborated the role of literature for gay men The first book length gay reading of Viaud s corpus this
work will make an important contribution not only to the study of Viaud but also to the study of gay and lesbian history
culture and literature Pierre Loti Richard M. Berrong,2018-10-15 Few authors have led lives as interesting as that
enjoyed by French novelist and travel writer Pierre Loti 1850 1923 and still fewer have worked so hard to make their lives
appear even more romantic than they already were As a career officer in the French navy Loti participated in expeditions
that took him to locales which even today seem exotic giving rise to four decades of novels travelogues and autobiographical
narratives some of which went through hundreds of editions in France and were translated into dozens of languages And as
Richard M Berrong reveals in this colorful biography the extravagances of Loti s often very public private life were as
interesting as his art With Loti s financial and artistic success came notoriety which he delighted in enhancing by staging
elaborate costume balls to which as one does he invited the photographic press The artistically inclined royalty of his day
including Princess Alice of Monaco and Queen Elizabeth of Rumania sought him out as confidant Sarah Bernhardt had him
write plays for her And although his parties and hobnobbing with titled nobility hurt his standing as a serious author in his
later years they can do nothing to diminish the legacy of an artist whom Henry James hailed as a remarkable genius the
companion beyond all others of my own selection and whose writing led Willa Cather to confess she would swoon with joy if
anyone saw traces of Loti in her work **The Independent** ,1927 **The Pocket University** William Rose Benét,1927
