The Late American Novel Jeff Martin, C. Max Magee, 2011-03-10 Scholars journalists and publishers have turned their brains inside out in the effort to predict what lies ahead but who better to comment on the future of the book than those who are driven to write them The way we absorb information has changed dramatically Edison's phonograph has been reincarnated as the iPod Celluloid went digital But books for the most part have remained the same until now And while music and movies have undergone an almost Darwinian evolution the literary world now faces a revolution a sudden change in the way we buy produce and read books In *The Late American Novel* Jeff Martin and C Max Magee gather some of today's finest writers to consider the sea change that is upon them Lauren Groff imagines an array of fantastical futures for writers from poets with groupies to novelists as vending machines Rivka Galchen writes about the figurative and literal death of paper Joe Meno expounds upon the idea of a book as a place set permanently aside for the imagination regardless of format These and other original essays by Reif Larsen Benjamin Kunkel Victoria Patterson and many more provide a timely and much needed commentary on this compelling cultural crossroad

Romance and the Erotics of Property Jan Cohn, 1988 *Romance and the Erotics of Property* examines contemporary popular romance from a number of different points of view probing for codes and subtexts that sometimes exploit and sometimes contradict its surface tale of romantic attraction frustration longing and fulfillment Cohn argues that a full understanding of the contemporary romance requires an investigation of its literary and historical sources and analogues

Three principal sources are examined in the context of women's history in bourgeois society: *Pride and Prejudice*, Jane Eyre, and *Gone With the Wind* demonstrate the development of romance fiction's themes; yet in all three the central love story is complicated by issues of property, the sign of male power. Jan Cohn further considers the development of the genre in the fictions of Harriet Lewis and May Agnes Fleming, prolific and popular American romance writers of the late nineteenth century who developed the role of the villain, thereby bringing into focus the sexual and economic struggles faced by the heroine. *Romance and the Erotics of Property* sets romance fiction against a historic and literary background, arguing that contemporary romance disguises as tales of love the subversive fantasies of female appropriation and male property and power.

The Show I'll Never Forget Sean Manning, 2009-02-23 In *The Show I'll Never Forget*, writer Sean Manning has gathered an amazing array of unforgettable concert memories from a veritable A-list of acclaimed novelists, poets, biographers, cultural critics, and songwriters. Their candid first-person recollections reveal as much about the writers' lives at the time as they do about the venues where the shows occurred or the artists onstage: Ishmael Reed on Miles Davis, Luc Sante on Public Image Ltd, Heidi Julavits on Rush, Daniel Handler and Andrew Sean Greer on Metric, Diana Ossana on Led Zeppelin, Maggie Estep on Einstürzende Neubauten, Dani Shapiro on Bruce Springsteen, Gary Giddins on *Titans of the Tenor*, Nick Flynn on Mink DeVille, Susan Straight on *The Funk Festival*, Rick Moody on *The Lounge Lizards*, Jennifer Egan on Patti Smith, Harvey Pekar on Joe Maneri, Thurston Moore on Glen Branca, Rudolph Grey and Wharton Tiers, Chuck Klosterman on Prince, Sigrid Nunez on Woodstock, Jerry Stahl on David Bowie, Charles R. Cross on Nirvana, Marc Nesbitt on The Beastie Boys. And many more. authority of the United States In the context of perceived decay and diminishing influence these novels actively counteract the narrative of American exceptionalism frequently peddled in the wake of 9 11 If suburban fiction has historically been faulted for its limited vision this newest iteration has developed a depth of field that self consciously folds the personal into the political encompasses the have nots along with the haves and takes in the past when it imagines the future all in order to forge a community of readers who are now accountable to the larger world American Unexceptionalism traces the trajectory by which recent suburban fiction overturns the values of individualism private property ownership and competition that originally provided its foundation In doing so the novels examined here offer readers new and flexible ways to imagine being and belonging in a setting no longer characterized by stasis but by flux
