Problem Of God In Philosophy Of Religion

Henry Duméry

Problem Of God In Philosophy Of Religion:

The Problem of God in Philosophy of Religion Henry Duméry, 1964 **The Problem of God in Philosophy of Religion** Henry Duméry, 1969 **The problem of God in philosophy of religion** Henry Duméry, 1964 **The Problem of God in Modern Thought** Philip Clayton, 2000 It is widely believed that modern philosophers have dismissed the idea of God and opted instead for a secular humanism Challenging these stereotypes through a careful study of major philosophical texts written since the Enlightenment Philip Clayton shows how the main thinkers of the modern period have continued to wrestle with the problem of God and to make proposals for understanding the divine Following up on his award winning book *God and Contemporary Science* Clayton here explores the constructive resources that modern thought offers to those struggling with the notion of God as infinite and perfect He finds in the narrative of modern thought about God strong support for panentheism the new theological movement that maintains the transcendence of God while denying the separation of God and the world *Reason and the Question of God* Richard Schaeffler, 1999 A masterful presentation of the basic themes of the philosophy of religion and the various philosophical approaches to the question of religion The Hiddenness Argument J. L. Schellenberg, 2015-07-02 In many places and times and for many people God's existence has been rather less than a clear fact According to the hiddenness argument this is actually a reason to suppose that it is not a fact at all The hiddenness argument is a new argument for atheism that has come to prominence in philosophy over the past two decades J L Schellenberg first developed the argument in 1993 and this book offers a short and vigorous statement of its central claims and ideas Logically sharp but so clear that anyone can understand the book addresses little discussed issues such as why it took so long for hiddenness reasoning to emerge in philosophy and how the hiddenness problem is distinct from the problem of evil It concludes with the fascinating thought that retiring the last of the personal gods might leave us nearer the beginning of religion than the end Though an atheist Schellenberg writes sensitively and with a nuanced insider's grasp of the religious life Pertinent aspects of his experience as a believer and as a nonbeliever and of his own engagement with hiddenness issues are included Set in this personal context and against an authoritative background on relevant logical conceptual and historical matters The Hiddenness Argument's careful but provocative reasoning makes crystal clear just what this new argument is and why it matters **God & Philosophy** Antony Flew, 1969 Christian Philosophy and the Problem of God Charles Taliaferro, 2023-07-06 Questions are raised about Christian philosophy and God Is Christian philosophy truly philosophical Is it Biblical Is it capable of addressing God a profoundly transcendent being Does appealing to a God's eye point of view make sense Can Christian philosophy respect religious diversity While the integrity of Christian philosophy is defended questions are raised about its relationship to the overall practice of philosophy Christian philosophers value drawing others to Christian faith Are Christian apologetics compatible with philosophy This Element concludes with reflection on when it may be philosophically acceptable to appeal to mystery *This is Philosophy of Religion* Neil A.

Manson,2021-03-23 A reader friendly introduction to the essential concepts theories and questions in analytic philosophy of religion Does God exist If so what is God s relationship to us Do we have free will This is Philosophy of Religion surveys foundational topics in the philosophy of religion using a clear and accessible style Straightforward and easy to comprehend for those with no prior philosophical background this engaging introduction familiarizes readers with the vocabulary methods and major concepts in the philosophy of religion and invites them to think through questions which arise in the intersection of philosophy theology and religious studies Part of the popular This is Philosophy series this book applies the basic investigative methods of philosophy to questions of religion faith and morality Chapters offer a framework for thinking about religion present arguments for and against the existence of God discuss religious diversity consider the intellectual co existence of faith and reason and examine different theories about why people are religious Examples and illustrations taken from popular culture reinforce the subject s contemporary relevance and are complemented by a wealth of online resources for instructors on the This is Philosophy series site that encourage further reading and strengthen student comprehension of key concepts A dependable introduction to the philosophy of religion This is Philosophy of Religion is an ideal gateway to the discipline for readers who want to engage with questions about religion and contemplate the philosophical implications of religious belief

The Problem of God Edgar Sheffield Brightman,1930

Problems of Evil and the Power of God

James A. Keller,2007 Why do bad things happen even to good people If there is a God why aren t God s existence and God s will for humans more apparent And if God really does miracles for some people why not for others This book examines these three problems of evil suffering divine hiddenness and unfairness if miracles happen as believers claim to explore how different ideas of God s power relate to the problem of evil

God and Evidence Rob Lovering,2013-06-20 God and Evidence presents a new set of compelling problems for theistic philosophers The problems pertain to three types of theistic philosopher which Lovering defines here as theistic inferentialists theistic non inferentialists and theistic fideists Theistic inferentialists believe that God exists that there is inferential probabilifying evidence of God s existence and that this evidence is discoverable not simply in principle but in practice Theistic non inferentialists believe that God exists that there is non inferential probabilifying evidence of God s existence and that this evidence is discoverable not simply in principle but in practice Theistic fideists believe that God exists that there is no discoverable probabilifying evidence inferential or non inferential of God s existence and that it is nevertheless acceptable morally if not otherwise to have faith that God exists Lovering argues that each type of theistic philosopher faces a problem unique to his type and that they all share two particular problems Some of these problems take us down an entirely new discursive path others down a new discursive path branching off from an old one

Beyond the Control of God? Paul Gould,2014-03-27 The question of God s relationship to abstract objects touches on a number of perennial concerns related to the nature of God God is typically thought to be an independent and self sufficient being Further God is typically thought to be supremely sovereign such that all reality distinct

from God is dependent on God's creative and sustaining activity. However, the view that there are abstract objects seems to be a repudiation of this traditional understanding of God. Abstract objects are typically thought to exist necessarily and it is natural to think that if something exists necessarily it does so because it is its nature to exist. Thus abstract objects exist independently of God. Philosophers have called this the problem of God and abstract objects. In this book six contemporary solutions to the problem are set out and defended against objections. It will be valuable for all students or scholars who are interested in the concept and nature of God.

The Severity of God Paul K. Moser, 2013-02-14 This book explores the role of divine severity in the character and wisdom of God and the flux and difficulties of human life in relation to divine salvation. Much has been written on problems of evil but the matter of divine severity has received relatively little attention. Paul K. Moser discusses the function of philosophy, evidence and miracles in approaching God. He argues that if God's aim is to extend without coercion His lasting life to humans, then commitment to that goal could manifest itself in making human life severe for the sake of encouraging humans to enter into that cooperative good life. In this scenario, divine agape is conferred as a free gift but the human reception of it includes stress and struggle in the face of conflicting powers and priorities. Moser's work will be of great interest to students of the philosophy of religion and theology.

God and the Problem of Evil William L. Rowe, 2001-07-16 *God and the Problem of Evil* brings together influential essays on the question of whether the amount of seemingly pointless malice and suffering in our world counts against the rationality of belief in God, a being who is said to be all powerful, all knowing and perfectly good.

God and the Ethics of Belief Andrew Dole, Andrew Chignell, 2005-06-06 Philosophy of religion in the Anglo-American tradition experienced a rebirth following the 1955 publication of *New Essays in Philosophical Theology* eds Antony Flew and Alisdair MacIntyre. Fifty years later this volume of essays offers a sampling of the best work in what is now a very active field, written by some of its most prominent members. A substantial introduction sketches the developments of the last half century while also describing the ethics of belief debate in epistemology and showing how it connects to explicitly religious concerns and to the topics of the individual contributions. These topics include the relationship between God and the natural laws, the metaphysics of bodily resurrection, the role of appeal to mystery in the religious life, the justification of both theistic belief generally and more specific doctrinal beliefs, and the social-political aspects of religious faith and practice.

The Problem of Evil and the Problem of God Dewi Zephaniah Phillips, 2004 This book is Dewi Zephaniah Phillips' systematic attempt to discuss the problem of evil. He argues that the problem is inextricably linked to our conception of God. In an effort to distinguish between logical and existential problems of evil, that inheritance offers us distorted accounts of God's omnipotence and will. In his interlude Phillips argues that as a result God is ridiculed out of existence and found unfit to plead before the bar of decency. However, Phillips elucidates a neglected tradition in which we reach a different understanding of God's presence amidst suffering and addresses the ultimate question of how God can be said to be with those who are crushed by life's afflictions. An ideal text for students of

philosophy religious studies and theology but also for anyone who reflects seriously on the danger of adding to human evils by the way in which we write and think about them Jacket **C.S. Lewis and the Problem of God** David

Werther,2024-05-15 Understanding C S Lewis s vocation is essential for reading his works well as is knowing how he came to it his long and winding philosophical journey and reoccurring experiences of Joy Lewis discounted proofs in philosophical theology but offered key arguments in support of theism per se and Christianity in particular His account of mere Christianity shows the centrality of self determination an emphasis on Christ s human nature and a relativizing of atonement theories Finally Lewis s understanding of faith his attempts to make sense of petitionary and imprecatory prayers and his emphasis on theosis deification are considered Pragmatic Pluralism and the Problem of God Sami Pihlström,2013-04 The book is a

study of pragmatism and pragmatic pluralism in the philosophy of religion Through critical examinations of James s Dewey s and recent neopragmatists ideas it argues that key issues in the field including the debate between evidentialism and fideism and the problem of evil need rearticulation from a pragmatic pluralistic perspective **The Nature of God** Gerard

Hughes,2005-08-04 In The Nature of God Gerard Hughes takes the central attributes ascribed to God such as Existence Simplicity Omniscience Omnipotence and Goodness and gives them a historical and analytical background Incorporating texts by Aquinas Ockham Molina Descartes Hume and Kant he aims to give the reader first hand acquaintance with these classic writers and to then discuss their arguments in the light of contemporary debate While the focus of The Nature of God is on the philosophy of religion Hughes widens his scope to consider its implications in epistemology metaphysics and moral philosophy The issues he considers include necessity and possibility the relation of logic to epistemology and the connections between causation and moral philosophy

Problem Of God In Philosophy Of Religion Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Problem Of God In Philosophy Of Religion free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Problem Of God In Philosophy Of Religion free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Problem Of God In Philosophy Of Religion free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Problem Of God In

Philosophy Of Religion. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Problem Of God In Philosophy Of Religion any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Problem Of God In Philosophy Of Religion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Problem Of God In Philosophy Of Religion is one of the best book in our library for free trial. We provide copy of Problem Of God In Philosophy Of Religion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Problem Of God In Philosophy Of Religion. Where to download Problem Of God In Philosophy Of Religion online for free? Are you looking for Problem Of God In Philosophy Of Religion PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Problem Of God In Philosophy Of Religion. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Problem Of God In Philosophy Of Religion are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories.
