When Writing Workshop Isn't Working Mark Overmeyer,2023-10-10 Writing is hard work Teaching it can be even harder As most teachers know writer s workshop doesn t always go as planned and many find there are obstacles that they consistently struggle with In his role as a literacy coordinator and teacher Mark Overmeyer has heard the same issues raised again and again by both new and experienced colleagues When Writing Workshop Isn t Working Answers to Ten Tough Questions Grades 2 5 provides practical advice to overcome these common problems and get your writing workshop back on track Acknowledging the process based nature of the writing workshop this book does not offer formulaic program based one size fits all answers but presents multiple suggestions based on what works in real classrooms The ten key questions this book addresses include How do I help students who don t know what to write about How do I help students develop stronger vocabulary and word choice How do I prepare my students for standardized tests without compromising my writing program How should I assess student writing How can I help my students use revision effectively This book is a handy reference tool for answering specific questions as they pop up during the year Overmeyer uses student examples throughout to help teachers envision these solutions in their own classes and he includes an array of classroom tested ideas for helping primary and intermediate English language learners There may not be any easy answers to the complexities of writer s workshop but by identifying and providing advice on the most common stumbling blocks one encounters When Writing Workshop Isn t Working provides a solid groundwork freeing up time and creativity for teachers to address the specific needs of their students

DIY Programming and Book Displays Amanda Catherine Struckmeyer,Svetha Hetzler,2010-09-13 This manual guides librarians in creating simple affordable ready to use activities for children tweens teens and families with enough material for a full year of programs Do it yourself programming is an emerging model in which the librarian does the preparation then lets patrons take over DIY Programming and Book Displays How to Stretch Your Programming without Stretching Your Budget and Staff makes it easy for librarians to institute such programs in their own facilities Organized around 12 thematic chapters the book explains how to set up and maintain a do it yourself station and offers instructions for

a variety of year activities Reproducible materials and booklists are included as well Librarians may use the activities as starting points for generating their own ideas or they may simply photocopy materials in the book for ready to use monthly DIY programming Once set up the DIY station is available to patrons anytime they are in the library Best of all because DIY programs do not rely on staff space or special materials they allow libraries to make the most of their resources without sacrificing patron service

Chameleon Charles R. Smith, 2010-06-14 Kids will grab this for the immediacy in the scenes the brutal standoffs the fast talk at the ball court and the elemental conflicts of coming of age Booklist Shooting the breeze with his boys Tightening his D on the court Doing a color check making sure nobody's wearing blue or red which some Crip or Piru carrying a cut down golf club would see as disrespect Then back to Auntie's hoping she isn't passed out from whiskey at the end of the day Now that Shawn is headed for high school he wonders if he'd be better off at the school in Mama's neighborhood where he'd be free of Compton's hassles But then he wouldn't be with his fellas cracking jokes covering each other's backs or the fine Marisol who's been making star appearances in his dreams Dad says he needs to make his own decision but what does Shawn want freedom or friendship With teasing spot on dialogue and an eye to the realities of inner city life Chameleon takes on the shifting moods of a teenager coming of age
