**The Rolling Stones Tour Posters [vol 2]** John James Valley, 2018-10-14 The Rolling Stones Volume 2 concert and tour posters from 2002 to 2018      **The Rolling Stones Concert Posters vol1** John James Valley, 2018-04-19 The Rolling Stones Volume 1 concert and tour posters from 1962 to 1999      **The Rolling Stones Discover America** Michael Lydon, 1970

The Rolling Stones Discover America Michael Lydon, 2018-11-21 In 1969 Michael Lydon a founding editor of Rolling Stone and a leading member of rock writing's first generation got a dream assignment to cover the Rolling Stones hopscotch tour across America that ended at Altamont. His long intimate piece on the tour The Rolling Stones Discover America captures the highs and lows of the grueling tour and has become a classic of rock n roll journalism one that the Maysles brothers studied to guide the editing of their film Gimme Shelter. Nobody used the term embedded reporter in those days but that's how Lydon lived on the tour staying in the Stones HQ house above LA's Sunset Strip and in suites at New York's Plaza Hotel flying in private jets to Dallas Chicago Philadelphia and Boston gambling in Las Vegas hanging out backstage at the LA Forum and Manhattan's Madison Square Garden smoking pot with The Boys in late night bull sessions and night after night digging the overpowering sensuous and beautiful music. This was the peak of my rock n roll reporting career Lydon has said I knew I was where every hippie in America wanted to be and I jumped into the tour with my eyes and ears wide open a big grin on my mug. The peaceful miracle of Woodstock's three day Peace and Music festival had just happened and the 60s revolution in electric music psychedelic drugs long hair and free love was spreading across the country. Millions of kids scared of Vietnam and bored in school were searching for new ideas and directions in the music of the Beatles Dylan and the Stones the rock stars kids themselves were searching for ideas and directions from their peers. Every Stones concert on that tour became a mutual celebration of a new generation. Lydon remembers Mick and Keith feeding off the energy blossoming up from the darkness in the huge halls and arenas and hurling that energy back at the kids in savage demonic music. The Stones concert at the Altamont Raceway planned as their free gift to San Francisco turned to disaster as a bad mix of youthful naiveté vicious Hell's Angels drugs and the mind bending pressure to top Woodstock engendered first fear and confusion and finally murder in front of the stage as the Stones played Sympathy for the Devil. In The Rolling Stones Discover America Lydon also describes his own nervousness living so close to stardom. The Stones were good guys and hard working musicians he says but they were the sun kings of the tour universe. The rest of us were minor planets spinning about them in fixed and distant orbits. It's a miracle I managed to keep my feet on the ground keep taking notes and get the story down on paper but I'm glad I did. Praise for Michael Lydon's writing. It is with the greatest sensitivity and care that Lydon explores the connections between the scene the men and the music. great romp that is almost more of a history of modern rock than it is a look at the life of Bobby Keys That also makes it an enjoyable and fascinating read for anyone who loves classic rock as well as for folks who grew up on the genre Fortune Born in Slaton Texas Bobby Keys has lived the kind of life that qualifies as a rock n roll folktale In his early teens Keys bribed his way into Buddy Holly s garage band rehearsals He took up the saxophone because it was the only instrument left unclaimed in the school band and he convinced his grandfather to sign his guardianship over to Crickets drummer J I Allison so that he could go on tour as a teenager Keys spent years on the road during the early days of rock n roll with hitmakers like Bobby Vee and the various acts on Dick Clark s Caravan of Stars Tour followed by decades as top touring and session sax man for the likes of Mad Dogs and Englishmen George Harrison John Lennon and onto his gig with The Rolling Stone from 1970 onward Every Night s a Saturday Night finds Keys setting down the many tales of an over the top rock n roll life in his own inimitable voice Augmented by exclusive contributions with famous friends like Keith Richards Joe Crocker and Jim Keltner Every Night s a Saturday Night paints a unique picture of the coming of age of rock n roll **Billboard** ,2005-07-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Stones Touring Party** Robert Greenfield,2010 A compelling account of the Stones trashing America during 1972 Greenfield was allowed the kind of access journalists can only dream of today The Times The Stones 1972 tour of the States was perhaps their best and certainly most notorious ever Their previous visit in 1969 had ended in the nightmare of Altamont now three years later they had just recorded their two finest albums Sticky Fingers and Exile on Main Street and were musically in their prime if also personally at their most dissolute and debauched Robert Greenfield one of America s finest writers went along for the ride and came back with a riveting account of high living excess and rock roll fury from the Playboy Mansion to the jail cells of Rhode Island This was an extended tour Party capital P to which all America s hip rich and glitzy were invited from Truman Capote to Stevie Wonder Annie Liebowitz to Hugh Hefner The result has been acclaimed as one of the all time classic music books Published for some years by Helter Skelter under the title A Journey Through America with the Rolling Stones it is now reissued by Aurum under its original title with a new introduction by the author Robert Greenfield is also the author of Exile on Main Street A Season in Hell with the Rolling Stones and biographies of Timothy Leary and Jerry Garcia He lives in California **Billboard** ,1978-07-29 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2002-05-18 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music
