

Russia The Land

Andrew Jack

Russia The Land:

Russia - The Land Greg Nickles, 2000 Introduces the land of Russia including the country's geography history industry agriculture and wildlife Russia's Agriculture in Transition Zvi Lerman, 2008-01-01 This book explores the development of factor markets in Russian agriculture during the transition to a market economy identifying the impact of existing constraints on agricultural growth *Land Reform in Russia, 1906-1917* Judith Pallot, 1999-05-20 Since the collapse of the USSR there has been a growing interest in the Stolypin Land Reform as a possible model for post Communist agrarian development Using recent theoretical and empirical advances in Anglo American research Dr Pallot examines how peasants throughout Russia received interpreted and acted upon the government's attempts to persuade them to quit the commune and set up independent farms She shows how a majority of peasants failed to interpret the Reform in the way its authors had expected with outcomes that varied both temporally and geographically The result challenges existing texts which either concentrate on the policy side of the Reform or if they engage with its results use aggregated official statistics which this text argues are unreliable indicators of the pre revolutionary peasants reception of the Reform Russia's Policy Challenges Stephen K. Wegren, 2016-07-08 Designed for use in courses on contemporary Russia this volume explores Russia's policy dilemmas in three realms international security socio political and socio economic In each of these categories Russia faces daunting problems none of which is likely to be resolved quickly or easily Yet over the longer term the extent to which policymakers are successful in dealing with these challenges will go far in determining Russia's future place in the world how Russians will live and what kind of country Russia becomes Each expertly authored chapter outlines the nature of one major issue traces its evolution and policy developments under the Yeltsin and Putin presidencies and evaluates the effectiveness and prospects of efforts to come to grips with the challenge **The Earth and Its Inhabitants ...: Asiatic Russia: Caucasia, Aralo-Caspian basin, Siberia** Elisée Reclus, 1891 **Inside Putin's Russia** Andrew Jack, 2005-12-15 Written by Andrew Jack the Moscow Bureau Chief of the Financial Times here is a revealing look at the meteoric rise of Vladimir Putin and his first term as president of Russia Drawing on interviews with Putin himself and with a number of the country's leading figures as well as many ordinary Russians Jack describes how the former KGB official emerged from the shadows of the Soviet secret police and lowly government jobs to become the most powerful man in Russia The author shows how Putin has defied domestic and foreign expectations presiding over a period of strong economic growth significant restructuring and rising international prestige Yet Putin himself remains a man of mystery and contradictions Personally he is the opposite of Boris Yeltsin A former judo champion he is abstemious healthy and energetic but also evasive secretive and cautious Politically he has pursued a predominantly pro western foreign policy and liberal economic reforms but has pursued a hardline war in Chechnya and introduced tighter controls over parliament and the media and his opponents moves which are reminiscent of the Soviet era Through it all Putin has united Russian society and maintained extraordinarily high popularity Jack concludes

that Putin's liberal authoritarianism may be unpalatable to the West but is probably the best that Russia can do at this point in her history. Inside Putin's Russia digs behind the rumors and speculation illuminating Putin's character and the changing nature of the Russia he rules. Andrew Jack sheds light on Putin's thinking style and effectiveness as president. With Putin's second term just beginning this invaluable book offers important insights for anyone interested in the past present and future of Russia.

Russia Christopher J. Ward, John M. Thompson, 2021-07-20 This lucid account of Russian and Soviet history presents major trends and events from Kievan Rus to Vladimir Putin's presidency in the twenty first century. Directly addressing controversial topics this book looks at issues such as the impact of the Mongol conquest the paradoxes of Peter the Great the inevitability of the 1917 Revolution the Stalinist terror and the Gorbachev reform effort. This new ninth edition has been updated to include a discussion of Russian participation in the War in Donbas eastern Ukraine Russia's role in the Syrian civil war the rise of opposition figure Alexei Navalny Vladimir Putin's confirmation as president for life recent Russian relations with the United States the North Atlantic Treaty Organization NATO and the European Union as well as contemporary social and cultural trends. Distinguished by its brevity and supplemented with substantially updated suggested readings that feature new scholarship on Russia and a thoroughly updated index this essential text provides balanced coverage of all periods of Russian history and incorporates economic social and cultural developments as well as politics and foreign policy. Suitable for undergraduates as well as the general reader with an interest in Russia this text is a concise single volume on one of the world's most significant lands.

A Look at Russia Helen Frost, 2002 Simple text and photographs provide an introduction to the geography animals culture and people of Russia. Includes a map.

Russia, 1997-01-01 Maps 4 folded sheets attached to inside back cover.

The Earth and Its Inhabitants, Asia: Asiatic Russia Elisée Reclus, 1884
