Russian And West European Women 1860 1939:

Russian and West European Women, 1860-1939 Marcelline J. Hutton, 2001 This ambitious study provides a sweeping overview of the position of women in England France Germany and Russia USSR from 1860 1939 The book illustrates their struggles to realize their dreams and their resourcefulness in coping with often dreary hard even horrifying lives Deftly combining statistical data to underscore collective experiences and belles lettres to highlight the texture of individual women's lives the book assesses the significance of gender class nationality and religion This richly researched work traces common patterns and unique experiences in women's lives by showing how they defined themselves coped with daily life and confronted disaster with courage and resourcefulness **Aspasia** Francisca de Haan, Maria Bucur, Krassimira

Daskalova, 2007-09 Aspasia is an international peer reviewed yearbook that brings out the best scholarship in the field of interdisciplinary women's and gender history focused on and produced in Central Eastern and Southeastern Europe In this region the field of women's and gender history has developed unevenly and has remained only marginally represented in the international canon **Remarkable Russian Women in Pictures, Prose and Poetry** Marcelline Hutton, 2013 Many

Russian women of the late 19th and early 20th centuries tried to find authentic religious marital professional and political experiences Some very remarkable ones found these things in varying degrees while others sought unsuccessfully but no less desperately to transcend the generations old restrictions imposed by church state village class and gender Like a Slavic Downton Abbey this book tells the stories not just of their outward lives but of their hearts and minds their voices and dreams their amazing accomplishments against overwhelming odds and their roles as feminists and avant gardists in shaping modern Russia and indeed the twentieth century in the West In their own words and images and each in their own unique way these remarkable Russian women construct a fascinating tapestry of a culture at the crossroads of modernity and on the brink of catastrophe *The Routledge History of Women in Europe since 1700* Deborah Simonton, 2006-04-27 The

Routledge History of Women in Europe since 1700 is a landmark publication that provides the most coherent overview of woman's role and place in western Europe spanning the era from the beginning of the eighteenth century until the twentieth century In this collection of essays leading women's historians counter the notion of national histories and provide the insight and perspective of a European approach Important intellectual political and economic developments have not respected national boundaries nor has the story of women's past or the interplay of gender and culture The interaction between women ideology and female agency the way women engaged with patriarchal and gendered structures and systems and the way women carved out their identities and spaces within these informs the writing in this book For any student of women's studies or European history The Routledge History of Women in Europe since 1700 will prove an informative addition to their studies **The Palgrave Handbook of Women and Gender in Twentieth-Century Russia and the Soviet Union**

Melanie Ilic, 2017-11-30 This handbook brings together recent and emerging research in the broad areas of women and

gender studies focusing on pre revolutionary Russia the Soviet Union and the post Soviet Russian Federation For the Soviet period in particular individual chapters extend the geographic coverage of the book beyond Russia itself to examine women and gender relations in the Soviet East Tatarstan Central Asia Kazakhstan Tajikistan and Uzbekistan and the Baltic States Estonia Latvia and Lithuania Within the boundaries of the Russian Federation the scope moves beyond the typically studied urban centres of Moscow and St Petersburg to examine the regions Krasnodar Novosibirsk rural societies and village life Its chapters examine the construction of gender identities and shifts in gender roles during the twentieth century as well as the changing status and roles of women vis a vis men in Soviet political institutions the workplace and society more generally This volume draws on a broad range of disciplinary and methodological approaches currently being employed in the academic field of Russian studies The origins of the individual contributions can be identified in a range of conventional subject disciplines history literature sociology political science cultural studies but the chapters also adopt a cross and inter disciplinary approach to the topic of study This handbook therefore builds on and extends the foundations of Russian women s and gender studies as it has emerged and developed in recent decades and demonstrate the international indeed global reach of such research

Teffi Edythe Haber, 2018-10-18 Teffi was one of twentieth century Russia s most celebrated authors Born Nadezhda Likhvitskaya in 1872 she came to be admired by an impressive range of people from Tsar Nicholas II to Lenin and her popularity was such that sweets and perfume were named after her She visited Tolstoy when she was 13 to haggle with him about the ending of War and Peace and Rasputin tried and utterly failed to seduce her After the Bolshevik Revolution of 1917 she was exiled and lived out her days in the lively Russian migr community of Paris where she continued writing and enjoying comparable fame until her death in 1952 Teffi s best stories effortlessly shift from light humour and satire to pathos and even tragedy ever more so when depicting the daunting hardships she and her fellow migr s suffered in exile While best known for her stories and feuilletons she also moved over to other genres from serious poetry to theatrical miniatures and even music and inhabited an extraordinary range of spheres connected to both high and popular culture In the first biography of her in any language Edythe Haber here brings Teffi who has recently been rediscovered in the West to resounding acclaim to life Teffi s life and works afford a unique panoramic view of the cultural world of early twentieth century Russia from the debauchery of the Silver Age to the terror and euphoria of revolution and of interwar Russian emigration But they also offer fresh insights into the seismic events from the 1905 Russian Revolution and World War II to life as a refugee that she experienced first hand and recreated in her vivid penetrating moving and witty writing

Modernisation in Russia since 1900 Markku Kangaspuro, Jeremy Smith, 2006-12-27 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of modernisation in Russia available which highlights both one of the perennial problems and the challenges and prospects for contemporary Russia

Mobilizing Zanzibari Women C.
