Russian Public Finance During The War:

Russian Public Finance During the War Alexander Michelson, Pavel Natanovich Apostol, 1928 **Russian Public Finance During the War**, 1928 *Russian Public Finance During War* Alexander M. Michelson, 2017-11-19 Excerpt from Russian Public Finance During War Revenue and Expenditure Credit Operations Monetary Policy Brief survey of the growth of the Russian government debt Development of Russia's productive forces finances and money market in the last five years before the War Composition of the Russian government debt at the outbreak of the War Domestic and foreign pre war debts Debts guaranteed by the Government General summary of the government guaranteed debt issued prior to the War The credit standing of the Russian Government before the War About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [How States Pay for Wars](#) Rosella Cappella Zielinski, 2016-07-11 Armies fight battles states fight wars To focus solely on armies is to neglect the broader story of victory and defeat Military power stems from an economic base and without wealth soldiers cannot be paid weapons cannot be procured and food cannot be bought War finance is among the most consequential decisions any state makes how a state finances a war affects not only its success on the battlefield but also its economic stability and its leadership tenure In *How States Pay for Wars* Rosella Cappella Zielinski clarifies several critical dynamics lying at the nexus of financial and military policy Cappella Zielinski has built a custom database on war funding over the past two centuries and she combines those data with qualitative analyses of Truman's financing of the Korean War Johnson's financing of the Vietnam War British financing of World War II and the Crimean War and Russian and Japanese financing of the Russo Japanese War She argues that leaders who attempt to maximize their power at home and state power abroad are in a constant balancing act as they try to win wars while remaining in office As a result of political risks they prefer war finance policies that meet the needs of the war effort within the constraints of the capacity of the state [Bankers and Bolsheviks](#) Hassan Malik, 2018-11-13 Following an unprecedented economic boom fed by foreign investment the Russian Revolution triggered the worst sovereign default in history *Bankers and Bolsheviks* tells the dramatic story of this boom and bust chronicling the forgotten experiences of leading financiers of the age Shedding critical new light on the decision making of the powerful personalities who acted as the gatekeepers of international finance Hassan Malik narrates how they channeled foreign capital into Russia in the late nineteenth and early twentieth centuries While economists have long relied on quantitative analysis to grapple with questions relating to the drivers of cross border capital flows Malik adopts a historical

approach drawing on banking and government archives in four countries The book provides rare insights into the thinking of influential figures in world finance as they sought to navigate one of the most challenging and lucrative markets of the first modern age of globalization Bankers and Bolsheviks reveals how a complex web of factors from government interventions to competitive dynamics and cultural influences drove a large inflow of capital during this tumultuous period in world history This gripping book demonstrates how the realms of finance and politics of bankers and Bolsheviks grew increasingly intertwined and how investing in Russia became a political act with unforeseen repercussions **Russian Public Finance**

During the War, Etc Russia,1928 *A History of Russian Economic Thought* Vincent Barnett,2013-03-07 The collapse of the Union of Soviet Socialist Republic at the end of the 1980 s was conceived as a victory for capitalist democracy Here Vincent Barnett provides the first comprehensive account of the historical development of Russian and Soviet economic thought across the nineteenth and twentieth centuries and considers its future in the twenty first century Utilizing an extensive range of historical sources Barnett examines the different strands of thought including classical neoclassical historical socialist liberal and Marxian schools He traces their influence and the impact their ideas had on shaping policies An excellent addition to the Routledge History of Economic Thought series this book covers pre 1870 Tsarist economics the late Tsarist period the impact of the war Bolshevik economics Stalinist economics Russian economics after 1940 Incorporating a detailed timeline of the most significant Russian economists work and analyzing the effects of historical discontinuities on the institutional structure of Russian economics as a discipline Barnett delivers an essential text for postgraduates and professionals interested in economic history and the evolution of Russian economic thought **A Free**

Nation Deep in Debt James MacDonald,James Macdonald,2006-05-22 For the greater part of recorded history the most successful and powerful states were autocracies yet now the world is increasingly dominated by democracies In *A Free Nation Deep in Debt* James Macdonald provides a novel answer for how and why this political transformation occurred The pressures of war finance led ancient states to store up treasure and treasure accumulation invariably favored autocratic states But when the art of public borrowing was developed by the city states of medieval Italy as a democratic alternative to the treasure chest the balance of power tipped From that point on the pressures of war favored states with the greatest public creditworthiness and the most creditworthy states were invariably those in which the people who provided the money also controlled the government Democracy had found a secret weapon and the era of the citizen creditor was born Macdonald unfolds this tale in a sweeping history that starts in biblical times passes via medieval Italy to the wars and revolutions of the seventeenth and eighteenth centuries and ends with the great bond drives that financed the two world wars **The American Historical Review** John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler,1928
