

Russias Heroes

Alexander Burak

Russias Heroes:

Russia's Heroes Albert Axell, 2012-10-25 With Hitler's invasion of Russia on 22 June 1941 the Eastern front opened and politicians and generals around the world predicted the swift destruction of the Soviet armies Nazi Germany threw its might against Russia 5 000 000 men took part in the blitz attack along the Russian frontier From interviews and primary evidence much of it never previously published unfolds the story of the Eastern Front interweaving accounts of the men and women who served with the progress of the war itself A tale of unbelievable heroism **Russia's Hero Cities** Ivo

Mijnssen, 2021-05-04 World War II known as the Great Patriotic War to Russians ravaged the Soviet Union and traumatized those who survived After the war memory of this anguish was often publicly repressed under Stalin But that all changed by the 1960s Under Brezhnev the idea of the Great Patriotic War was transformed into one of victory and celebration In *Russia's Hero Cities* Ivo Mijnssen reveals how contradictory national recollections were revised into an idealized past that both served official needs and offered a narrative of heroism This triumphant narrative was most evident in the creation of 13 Hero Cities now located across Russia Belarus and Ukraine These cities which were host to some of the fiercest and most famous battles were named champions Brezhnev's government officially recognized these cities with awards financial contributions and ritualized festivities Their citizens also encountered the altered history at every corner on manicured battlefields in war memorials and through stories at the kitchen table Using a rich tapestry of archival material oral history interviews and newspaper articles Mijnssen provides a thorough exploration of two cities in particular Tula and Novorossiysk By exploring the significance of Hero Cities in Soviet identity and the enduring but conflicted importance they hold for Russians today *Russia's Hero Cities* exposes how the Great Patriotic War no longer has the power to mask the deep rifts still present in Russian society Russia's Visionaries Alexander Burak, 2020-11-25 This book examines the latest thinking regarding Russia's

present position and its anticipated future by leading Russian philosophers political scientists economists and cultural figures to whom the author refers as visionaries These thinkers position Russia as a global protector of fairness and a safeguard against any single nation's world hegemony Despite Russians' abiding tendency to underestimate and undervalue their achievements they are increasingly coming to realize that Russia's historical record is on the whole outstanding The book's 17 chapters including many original translations of spoken discussions argue that Russia has all the prerequisites for and is in fact already well on the way toward becoming a global Noah's Ark of Western civilization Byliny Book: Hero

Tales of Russia Marion Chilton Harrison, 2022-01-17 In *Byliny Book: Hero Tales of Russia* Marion Chilton Harrison delves into the rich tapestry of Russian epic poetry known as byliny exploring the heroic narratives that have shaped Russian cultural identity Through meticulous translations and insightful commentary Harrison captures the oral tradition that breathes life into these tales providing not only engaging stories of valor and adventure but also a nuanced understanding of the sociopolitical landscape from which they arose The book balances an accessible literary style with scholarly rigor inviting

readers to appreciate both the grandeur and the subtle intricacies of these timeless tales Marion Chilton Harrison an esteemed folklorist and cultural historian has long dedicated her academic pursuits to Russian folklore and literature Her deep familiarity with the cultural contexts and historical backdrops of these narratives is evident in her thoughtful interpretations Harrison s extensive research and passion for storytelling bring authenticity and depth to her work constructing a bridge between past and present thus making these traditional tales relevant for contemporary audiences Byliny Book is a must read for anyone interested in the fusion of history and literature providing both scholars and casual readers with a captivating glimpse into the heroic ethos of Russia This collection not only enriches one s understanding of Russian folklore but also resonates with universal themes of courage loyalty and the human spirit Engage with these legendary tales and discover the enduring legacy of European epic storytelling In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Stories of Russian Folk-life Donald Alexander Mackenzie,1916 A collection of seven tales some traditional some based on historical accounts and some original reflecting the characteristics of the Russian landscape and its people

Consuming Russia Adele Marie Barker,1999 A timely study of the new Russia at the end of the twentieth century

The Positive Hero in Russian Literature Rufus W. Mathewson,2000 The positive hero was defined by the Soviets as one who set an example for the reader s behavior As early as 1860 the merits of this ideal model were a central issue in the war between literary imagination and ideological criticism that raged in Russia for a hundred years In *The Positive Hero in Russian Literature* Rufus W Mathewson Jr brings a period of Russian literature to life and demonstrates how the battles over the positive hero reappeared with dramatic clarity in the dissident literary movement that developed after Stalin s death Mathewson argues that the true continuity between nineteenth and twentieth century Russian prose was to be found in this persistent conflict between contrary views of the real nature and proper uses of literature This new edition of a widely acclaimed work first published in 1958 and covering literary developments through 1946 includes chapters on Belinsky Pasternak Solzhenitsyn and Sinyavsky Book Jacket

The Russian Hero in Modern Chinese Fiction Mau-sang Ng,1988-08-04 The Russian influence took root in the Chinese intellectual tradition that evolved after the Literary Revolution of 1917 When the Chinese communists turned to Russia for their inspiration they also accepted the Russian version of the novel s form and function in society However they did not accept it uncritically Chinese understanding of the arts goes back for thousands of years and thus Chinese intellectuals brought their own kinds of tradition and intelligence to these new arts and political solutions In this lucid study the author demonstrates how Chinese writers guided by Russian authors such as Chekhov Turgenev and Andreyev created works of art that are both original and Chinese However he also shows that the familiar heroes of such famous novelists as Lu Xun Yu Dafu Mao Dun and Ba Jin have a strong Russian flavor linked to

prototypes in the Russian literary tradition The author depicts the fortune of Soviet literature and the fate of the intellectual hero in the People's Republic of China He believes that the humanistic May Fourth intellectual tradition which inspired enthusiasm for classical Russian literature has been revived with the publication of works like Dai Houying's *Man ah Man* and Zhao Zhenkai's *Waves* The Complete Russian Folktale: v. 3: Russian Wondertales 1 - Tales of Heroes and Villains Jack V. Haney, 2019-08-15 These stories of magic and heroism and of terrifying encounters with Baba Yaga Zmei the serpent and Koshchei the Immortal are surely the best known and best loved folktales of Russia A wondertale tells of a young person's first venture into a perilous world where he or she must solve a riddle pass a test of character or perform a heroic feat In the course of the tale villainy is foiled disaster is averted and the young person is transformed by this successful struggle into an adult The two hundred and fifty wondertales collected and translated here represent at least one example of every tale type known in Russia Each tale is accompanied by commentary and the volume includes a substantial introduction by the editor Central Asia in World War Two Vicky Davis, 2023-12-14 Central Asia has long been situated at the geographical crossroads of East and West once strategically located on the ancient Silk Road The envy of the expanding Russian empire it was colonized in the 19th century by Cossacks and traders from the north This book examines how Central Asia by then part of the Soviet Union experienced population displacements on an even greater scale during the Second World War Vicky Davis analyses how troops were sent westwards into action only for waves of civilians to travel eastwards into the region evacuees refugees and even internal deportees sent into exile from their homelands in other parts of the vast Soviet Union Central Asia in World War Two is the first book to tackle the subject of minorities fighting for the Soviet Union under Stalin in the Second World War Based on meticulous archival research it considers the interactions of the individual citizen and the Soviet state weaving together the experiences of over three hundred ordinary men and women in Central Asia as they coped with their new roles on the front line or in the rear Suffering incredible economic and physical hardship racism and religious oppression these mainly Muslim citizens were subjected to a forced process of Sovietization under the influence of Stalin's ubiquitous propaganda machine Davis reveals how while conscripts were all too often slaughtered or scapegoated in their regiments the women and children left at home slaved in factories and communal farms to fuel the machinery of a war taking place thousands of kilometres away She convincingly argues that the impact of forced assimilation cultural indoctrination anti-Semitism and re-education on the region were as great as the daily fight for survival in wartime The legacy of the period is almost as complex with struggles over the ownership and revision of history continuing even today

Right here, we have countless books **Russias Heroes** and collections to check out. We additionally pay for variant types and plus type of the books to browse. The standard book, fiction, history, novel, scientific research, as well as various further sorts of books are readily simple here.
