tale is not merely a retelling of ancient myths but also a contemporary examination of the lessons they can impart about the human condition *The Forest Beyond the Woodlands A Fairy Tale* is recommended for those who seek to immerse themselves in a world of wonder while contemplating the greater truths of existence It will undoubtedly appeal to aficionados of classic literature and fairy tale connoisseurs as well as to new readers yearning for a story that marries novelty with time honored storytelling Kennedy s work is a poignant reminder that fairy tales are not just for children but are a genre that continues to captivate and illuminate at any age *Horse & Pony Stories* Janet Barber,1979
