## **Rwandas Gamble Gacaca And A New Model Of Transitional Justice:**

Rwanda's Gamble Peter E. Harrell, 2003 Gacaca is an innovative form of justice that the Rwandan government will use to try the more than 100 000 participants in the 1994 genocide Instead of putting suspects before the statutory law courts that existed prior to 1994 the government is establishing 11 000 popularly elected tribunals and charging them with the task of investigating and trying crimes that occurred within their territorial jurisdiction Officials hope that this will help clear the backlog of cases while giving suspects most of whom have spent nearly a decade in prison without a trial a chance finally to have their cases heard This book provides a detailed explanation of how the system will work from the selection and training of the judges to the basics of courtroom procedure It also places gacaca in the context of rapidly emerging restorative theories of justice and argues for gacaca s appropriateness in the Rwandan context Based on interviews training manuals documents never before published in the United States and extensive travels throughout Rwanda this book is an invaluable introductory guide to gacaca and explains why similar forms of justice should be experimented with elsewhere **Rwanda's Gacaca Courts** Paul Christoph Bornkamm, 2012-01-12 Rwanda s Gacaca courts provide an innovative response to the genocide of 1994 Incorporating elements of both African dispute resolution and of Western style criminal courts Gacaca courts are in line with recent trends to revive traditional grassroots mechanisms as a way of addressing a violent past Having been devised as a holistic approach to prosecution and punishment as well as to healing and repairing they also reflect the increasing importance of victim participation in international criminal justice This book critically examines the Gacaca courts achievements as a mechanism of criminal justice and as a tool for healing repairing and reconciling the shattered communities Having prosecuted over one million people suspected of crimes during the 1994 genocide the courts have been both praised for their efficiency and condemned for their lack of due process Drawing upon extensive observations of trial proceedings this book is the first to provide a detailed analysis of the Gacaca legislation and its practical implementation It discusses the Gacaca courts within the framework of transitional and international criminal justice and argues that despite the trend towards local tailor made solutions to the challenges of political transition there is a common set of principles to be respected in addressing the past Evaluating the Gacaca courts against the backdrop of existing or emerging principles such as the duties to investigate and prosecute and the right to the truth the book provides a sophisticated critique of Rwanda s reconciliation policy In doing so it contributes to the development and the clarification of these principles It concludes that Gacaca courts have achieved a great deal in stimulating a basic discourse on the genocide but they have also contributed to assigning collective responsibility and may thus end up deepening the divides within Rwandan society Handbook of Restorative Justice , **Reconciliation(s)** Joanna R. Quinn, 2009-04-01 Reconciliation s considers the definition of the concept of reconciliation itself focusing on the definitional dialogue that arises from the attempts to situate reconciliation within a theoretical and analytical framework Contributing authors champion competing definitions but all agree that it plays

**The Gacaca Courts, Post-Genocide Justice and Reconciliation in Rwanda** Phil Clark, 2010-09-09 Since 2001 the Gacaca community courts have been the centrepiece of Rwanda's justice and reconciliation programme Nearly every adult Rwandan has participated in the trials principally by providing eyewitness testimony concerning genocide crimes Lawyers are banned from any official involvement an issue that has generated sustained criticism from human rights organisations and international scepticism regarding Gacaca's efficacy Drawing on more than six years of fieldwork in Rwanda and nearly five hundred interviews with participants in trials this in depth ethnographic investigation of a complex transitional justice institution explores the ways in which Rwandans interpret Gacaca Its conclusions provide indispensable insight into post genocide justice and reconciliation as well as the population's views on the future of Rwanda itself
