S Corporations Michael Schlesinger, 2002 **S. Corporation Taxation (2009)** , 2008-11 **Individuals and Small Business Tax Planning Guide** Sidney Kess, Barbara Weltman, 2005 Comprehensive guide to financial tax and estate planning issues faced by today's practitioners in our changing economic environment **Searching the Law, 3d Edition** Frank Bae, Edward Bander, Francis Doyle, Joel Fishman, Paul Richert, 2021-12-13 **Practical Guide to S Corporations** Michael Schlesinger, 2007 **Practical Guide to Mergers, Acquisitions and Business Sales** Joseph B. Darby, 2006 Buying and selling a business is a challenging process. It involves rituals and interactions that are sometimes eerily similar to the courtship dynamic between a human couple. While many business courtships end in an economic marriage, plenty of others fail and for a variety of reasons. Many unsuccessful business negotiations could have made sense but ultimately floundered because negotiations went badly awry at some crucial point. CCH's brand new Practical Guide to Mergers Acquisitions and Business Sales by seasoned business transaction attorney and author Joseph B. Darby III J.D. not only explains the tax aspects of buying and selling a business but examines the special art of closing major business transactions successfully through an understanding of the tax consequences of the deal. There also are two other parties with a major economic stake in a business merger acquisition or sale: the federal government and usually at least one state government. The role of a tax adviser on a business acquisition transaction is to make everyone aware that there are two silent partners in the room at all times and that the Buyer and Seller have a common interest in cutting the silent partners out of the deal or reducing their take. The purpose and mission of Practical Guide to Mergers Acquisitions and Business Sales is to teach practitioners and business stakeholders how to pare the tax costs of transactions to the absolute minimum within the boundaries of ethical and appropriate tax reporting. Publisher's website **Taxation for Business Entities, with eBook Access Code** Gregory A. Carnes, Suzanne Youngberg, 2025-10-14 An innovative approach to understanding the federal income tax laws for business entities and developing tax efficient strategies.
