Sacajawea Elaine Raphael, Don Bolognese, 1994 Recounts Sacajawea's reunion with her brother while with the Lewis and Clark Expedition with drawing activities I Am Sacajawea, I Am York Claire Rudolph Murphy, 2005-10-01 When Lewis and Clark's Corps of Discovery set out in the spring of 1804 they had chosen to go on an unprecedented extremely dangerous journey It would be the adventure of a lifetime Unlike others in the group two key members did not choose to join the hazardous expedition York Clark's slave and Sacajawea considered to be the property of Charbonneau the expedition's translator The unique knowledge and skills Sacajawea and York had were essential to the success of the trip The dual stories of these two outsiders who earned their way into the inner core of the Lewis and Clark Expedition shed new light on one of the most exciting and important undertakings in American history Claire Rudolf Murphy is the author of many books including *Children of the Gold Rush* which School Library Journal lauded as a positive satisfying immersion into a little known subject After living in Alaska for twenty four years Claire returned to her hometown of Spokane Washington with her husband and two children She felt drawn to Sacajawea's and York's stories when she started hiking around the region and realized that she had grown up only 105 miles away from the Lewis and Clark trail and about 400 miles from where Sacajawea and York voted on where to build their winter fort Higgins Bond illustrated *The Seven Seas Exploring the World Ocean for Walker Company* School Library Journal commented that her realistic vivid illustrations in *The Seven Seas* envelop and transport readers to these waters Higgins earned her BFA from the Memphis College of Art She has illustrated numerous children's books and created commemorative stamps for the U S Postal Service She lives in Nashville Tennessee

Sacajawea Rich Haney, 2000-04-04 As the author of SACAJAWEA Her True Story I m pleased with the reaction to the book but even more thrilled over the interest in Sacajawea even from overseas Although my e mail is on only one website it s rwhaney yahoo com I m surprised about how many comments and questions I ve received including three from the United Kingdom this week I try to personally respond to all the e mails but I ve also decided to use this forum to answer the best questions I receive such as this one from Jeffrey Dawson Wales An American friend told me about your book and I have ordered but not received it yet from Amazon co uk United Kingdom She also has sent me five of the Year 2000 Sacajawea Golden Dollar Coins knowing my interest in the 1805 06 Lewis and Clark Expedition that ended merry ole England s claims to the region stretching from the Mississippi to the Pacific I surf the internet for Sacajawea stuff and read more about your book and learned that the little Indian girl is vastly widening the gap as easily the most memorialized female in American history WOW I have a question As Sacajawea led the mission from the Missouri to the Pacific and back were there any deaths among the members of the expedition on the arduous journey ANSWER There were many close calls but only one member of the expedition died during the journey That was Sergeant Charles Floyd He died on August 20th 1804 near present day Sioux City Iowa It is believed his death was due to a burst appendix Carol Meminger St Paul Minnesota I enjoyed your book and notice you spell your icon Sacajawea but from time to time I see it spelled Sacagawea or Sacakawea or even Sakakawea just as often Can you explain this to me ANSWER I use the Sacajawea spelling simply because she was a Shoshone and my Shoshoni friends think of her and spell her name that way In other words Sacajawea is family to them and that gives them the prerogative I think If a white family had a daughter named Kathy for example I would think of Kathy with a K and not Cathy with a C But I understand your

confusion Sacajawea was Shoshoni but she was captured and enslaved by the Hidatsa Indians of Knife River in present day North Dakota when she was a child Her Hidatsa captors named her Sacagawea which to them meant Bird Woman The Lewis and Clark Expedition helped reunite her with her Shoshoni people in 1805 and by then her brother Cameahwait had become Chief of the Shoshones Even within their own tribe Shoshoni women often had several name changes from time to time but Sacajawea apparently liked her Hidatsa name and it closely resembled the Shoshoni name that meant one who launches boats So even today the Hidatsas and Shoshones pronounce the name basically the same except for the third syllable Lewis and Clark on the expedition spelled her name as they pronounced it Sah cah gah we ah The Hidatsa word for bird is sacaga and the Hidatsa word for woman is wea and combining the two was how Sacajawea originally was named But the general acceptance of the name by her Shoshoni people affords them the right to start the third syllable with a j and not a g and pronounce it Sack a ja wea I think To the Shoshones her name is Sacajawea and it means boat launcher but to the Hidatsas her name is Sacakawea and it means Bird Woman The third spelling Sakakawea is promoted by the North Dakota Hidatsa and they pronounce it sa ka ka we a In 1814 eight years after the expedition a man named Nicholas Biddle edited the Lewis and Clark journals and corrected many of the explorers spelling and grammar mistakes Biddle was the very first in the English language
