

Sacred Heart

Rev. Fr. Jean Croiset

Sacred Heart:

The Glories of the Sacred Heart Henry Edward Manning, 1876 The Sacred Heart is as Simeon prophesied of Jesus Himself Signum cui contradicetur Like the title of His Blessed Mother who is in very truth Mother of God it has drawn to itself all the assaults of heresy For it is a divine test of faith in the mystery of the Word made Flesh ut revelentur ex multis cordibus cogitationes Those who have trusted with a yearning hope that the faith of Englishmen in the Incarnation at least was firm and clear were saddened and silenced when the pilgrimage to Paray le Monial elicited from some of the highest sources of the established religion a profession of simple Nestorianism It was then that the first fifty pages in this book were published Having been out of print for some time they are now reprinted as the doctrinal foundation of all that follows The devotion of the Sacred Heart has two aspects the one as the centre of all dogma the other as the source of the deepest devotion In this latter aspect it reveals to us the personal love of our Divine Redeemer towards each and every one for whom He died It is a manifestation of His pity tenderness compassion and mercy to sinners and to penitents Nevertheless its chief characteristic and its dominant note is His disappointment at the returns we make to Him for His love and above all His divine displeasure at the faults and sins of those who are specially consecrated at His service He seems to be sadly upbraiding us with the three doubting questions which He put to Peter Lovest thou Me and to be looking upon us as He turned and looked on him when he had thrice denied his Master Into this part of the devotion of the Sacred Heart I have not ventured It has already been treated so profusely by others and by many of whom I have only to learn it is in itself so deep and intimately related to the personal life and mind of each that I have always felt it better to use but few suggestive words rather than to draw out devotional acts which to the writer are no doubt spontaneous natural and real but to the reader may be a burden like Saul s armour to David In the following pages therefore I have intentionally confined myself to the dogmatic side of the devotion and for the following reasons I believe firmly that when divine truth is fully and duly apprehended it generates devotion that one cause of shallowness in the spiritual life is a superficial apprehension of the dogma of the Incarnation and that one divine purpose in the institution and diffusion of the devotion of the Sacred Heart in these last times is to reawaken in the minds of men the consciousness of their personal relation to a Divine Master He has foretold the dimness and coldness of these latter days The Son of Man when He cometh shall He find think you faith on the earth S Luke xviii 8 Because iniquity hath abounded the charity of many shall grow cold S Matt xxiv 12 In that day the disciples of the Sacred Heart at least will know whom they have believed Devotion to the Sacred Heart of Jesus Jean Croiset, 2022-05-29 In Devotion to the Sacred Heart of Jesus Jean Croiset explores the profound spiritual practice surrounding the Sacred Heart a symbol of Christ s divine love and compassion Written in the baroque style characteristic of 17th century Catholic spirituality the text intertwines theological reflection and meditative practices providing readers with a contemplative framework to deepen their relationship with Jesus Through rich imagery and emotive language Croiset engages with themes

of human suffering redemption and the transformative power of divine love situating his discourse within the broader context of Catholic mysticism and counter reformation thought Jean Croiset a French Jesuit priest and spiritual writer was heavily influenced by the mystic tradition of his time along with his experiences in pastoral ministry His commitment to the Jesuit educational principles and the promotion of devotional practices shaped his understanding of spirituality leading him to articulate a path toward divine union that emphasizes affectionate surrender to God s love Croiset s works reflect his deep theological insights as well as a sincere pastoral concern for guiding the faithful This enduring work is recommended for both scholars and laypersons seeking to enrich their spiritual lives through profound meditation on Christ s love Croiset s thoughtful elucidation encourages readers to cultivate an intimate relationship with the Sacred Heart making it a cornerstone resource for anyone devoted to understanding and embracing this powerful Christian devotion **Sacred**

Heart Wendy M. Wright,2002 The hundreds of thousands of Sacred Heart shrines monuments statues prints paintings holy cards medals scapulars and devotional paraphernalia that litter the landscape of Catholicism worldwide reflect the fact that the Sacred Heart was one of the defining symbols of the church through the mid twentieth century In fact whether in scripture prayer iconography or theological reflection the image of the Heart of God has always been present in the Christian story and in Sacred Heart Wendy Wright shows how it can become a window through which we might glimpse something of the divine mystery and through which the divine mystery might gaze upon us This book is both a richly detailed history and analysis of the devotion to the Sacred Heart and a powerful and imaginative description of a spiritual journey **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Sacred Heart of Jesus** Stephen J. Binz,2006 The traditional devotion to the Sacred Heart of Jesus is solidly rooted in Scripture and offers a rich source of spiritual renewal today The human heart the biblical symbol for the human will and passion can become hardened But God has promised to change our hearts of stone to hearts of flesh The heart of Jesus pierced and flowing with living streams of blood and water is a threshold inviting us into the experience of divine love Discover how devotion to the Sacred Heart can be revitalized in our day through a spirituality that is biblical ecumenical and oriented toward the contemporary world

The Devotion to the Sacred Heart Rev. Fr. Jean Croiset,2007-12 THE book on devotion to the Sacred Heart Commissioned by Our Lord Himself through St Margaret Mary and received through her His endorsement Responsible for the early rapid spread of the Sacred Heart devotion Contains the Saint s life her prayers to the Sacred Heart the Sacred Heart Promises far more than the famous 12 Promises and much much more Great Impr **The Sacred Heart the Book** Michael T Taylor, *The Heart of the Gospel* Francis Patrick Donnelly,1911 **Healing Promises** Anne Costa,2017 The Sacred Heart of Jesus is one of the most recognizable but least understood symbols of our Catholic faith Many people are familiar with the image but have yet to experience the depths of the hidden love story behind it Christ s promises to those who perform the Sacred Heart devotion may be the best kept secret of our faith In Healing Promises readers will learn about

the many ways to express devotion to the Sacred Heart as well as the history of the Sacred Heart and its relevance for modern life Sacred Heart Author, Wendy M. Wright ,2015-03-04 **The Glories of the Sacred Heart** Henry Edward,2024-01-28 Reprint of the original first published in 1875
