Sacred Marriage The Wisdom Of The Song Of Songs:

Sacred Marriage Nicholas Ayo,1997 Sacred Marriage is a book for lovers It offers commentary on the Song of Songs that is at once visual and textual aiming to delight the eye and enrich the spirit It contains a contemporary translation of the Song and the classic King James version as well as a line by line commentary Here is a perfect wedding or engagement gift

The Erotic Word : Sexuality, Spirituality, and the Bible NY David M. Carr Professor of Old Testament Union Theological Seminary,2002-12-19 Historically the Bible has been used to drive a wedge between the spirit and the body In this provocative book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped As a result the journey toward God and the life long engagement with our own sexual embodiment are inseparable Humans the Bible tells us both male and female were created in God s image and eros a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of the senses is a central component of that image The Bible particularly the Hebrew Bible affirms erotic passion both eros between humans and eros between God and humans In a sweeping examination of the sexual rules of the Bible Carr asserts that Biblical family values are a far cry from anything promoted as such in contemporary politics He concludes that passionate love our preoccupation therewith and pursuit thereof is the primary human vocation that eros is in fact the flavoring of life Dictionary of the Old Testament: Wisdom, Poetry & Writings Tremper Longman III,Peter Enns,2008-06-06 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther **Holman Old Testament Commentary Volume 14 - Ecclesiastes, Song of Songs** David Moore,Dr. Daniel L. Akin,2003-07-01 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike **The Wedding-song of Wisdom** George Robert Stow Mead,1908 **Song of Songs** Tremper Longman,2001-09-24 Relationships are a wonderful mysterious often elusive sometimes painful part of the human experience The most intimate of all human relationships according to the Bible is that between a husband and a wife It is no surprise therefore that there is a book of the Bible the Song of Songs that focuses on this relationship What is surprising is how little attention is given to the Song of Songs by scholars by the church and by readers of the Bible With this volume Tremper Longman III unpacks for modern people what this ancient love poem says about the male female relationship and by analogy about God s love for his people Longman s superb study begins with a thorough introduction to the Song of Songs and its background Longman discusses the book s title authorship date literary style language structure cultural milieu and theological content He also canvasses the long history of interpretation of the Song of Songs a history too often characterized by repression of the text In the commentary itself Longman structures the Song of Songs according to its twenty three poetic units and explains its message verse by verse The exposition is made clearer by Longman s adoption of an anthropological

approach to the text and by his frequent comparisons of the Song of Songs with other ancient Near Eastern literature Learned yet highly accessible innovative yet fully informed by past scholarship this commentary shows the beautiful Song of Songs to be a timeless celebration of human love and sexuality

Where is God in the Megilloth? Brittany Melton, 2018-05-23 In *Where is God in the Megilloth* Brittany N Melton constructs a dialogue among Ruth Esther Lamentations Ecclesiastes and Song of Songs centred on this question in an effort to settle the debate about whether God is present or absent in these books Their juxtaposition in the Hebrew Bible highlights their shared theme of apparent divine absence but paradoxically traces of God's presence are unearthed as well By examining various aspects of this theme including the literary absence of God divine abandonment God talk allusive language God's providence and divine silence it becomes clear that the ambiguity of divine presence and absence in the Megilloth presents a significant challenge to current conceptualizations of divine presence and absence in the Hebrew Bible

Sacred Marriages Martti Nissinen, Risto Uro, 2008-06-30 The title of this volume *Sacred Marriages* consciously plays with the traditional concept of sacred marriage but the plural form sacred marriages gives the reader an idea that something more is at stake here than a monomaniacal idea of manifestations deriving from a single prototype Following the guidelines of one of the contributors Ruben Zimmermann the editors tentatively define sacred marriage as a real or symbolic union of two complementary entities imagined as gendered in a religious context Sacred marriages plural then refers to various expressions of this kind of union in different cultures that seek to overcome to cite Zimmermann again the great dualism of human and cosmic existence The subtitle indicates that the contributors are primarily interested in different aspects of the divine human sexual metaphor that is the imagining and reenactment of a gendered relationship between the human and divine worlds This metaphor which is essentially about relationship rather than sexual acts can find textual ritual mythical and social expressions in different times and places Indeed the sacred marriage ritual itself should be considered not a manifestation of the sacralized power of sexuality experienced in sexual intercourse but one way of objectifying the divine human sexual metaphor

Ecclesiastes, Song of Songs Iain Provan, 2011-10-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it
