Sacred Places Barry Downs,1980 Pioneer Churches along the Gold Rush Trail Liz Bryan,2022-06-14 A fascinating tour through BC s historical gold rush trails focusing on the nineteenth century churches that were pivotal to the establishment of early settler communities Much has been written about the Cariboo gold rush from the trails and wagon roads to the rowdy mining camps from tales of great luck to those of disappointment and despair This book paints a different picture of those pioneer days It is a guide to the nineteenth century churches that were built during the gold rush or in the settlement days that followed Most of these historic structures were handmade of local wood though they differed greatly in size and style Some are now abandoned untenanted but still worthy of inspection All were built to fill the spiritual need of the European migrants who flooded to the area to nurture a sense of community that survived even after the gold was gone Filled with beautiful colour photography and detailed maps Pioneer Churches along the Gold Rush Trail highlights the history geography architecture craftsmanship and social context of dozens of gold rush era churches preserving them in their varying states of decay for posterity While acknowledging the destructive forces of colonialism including Christianity on Indigenous Peoples this book also examines the historical role of churches in community building and invites the reader to consider this dichotomy with an open and curious mind Pioneer Churches of Vancouver Island and the Salish Sea Liz Bryan,2020-06-23 A concise full colour visitor s guide to dozens of historical churches scattered throughout Vancouver Island from humble country chapels to soaring urban cathedrals For many European settlers who arrived on Vancouver Island in the late nineteenth century building a church was as important as establishing a homestead or erecting a school The church was the heart of the community Today although demographics have shifted and church attendance has waned many of those early structures are still standing Pioneer Churches of Vancouver Island and the Salish Sea features more than forty surviving churches whose construction dates back to the 1800s It explores the architecture the local history of the area and the stories of the builders worshippers clergy members those who are buried in the adjoining graveyards Divided into geographical sections Victoria Esquimalt and the Saanich Peninsula the Cowichan Valley Salt Spring Island Central Vancouver Island and the North Island this book is a beautifully photographed easy to follow guide for anyone interested in exploring these architectural treasures and learning more about the history surrounding them Alex Lord's British Columbia Alexander Russell Lord,1991 Alex Lord a pioneer inspector of rural BC schools shares in these recollections his experiences in a province barely out of the stage coach era Travelling through vast northern territory utilizing unreliable transportation and enduring climatic extremes Lord became familiar with the aspirations of remote communities and their faith in the humanizing effects of tiny assisted schools En route he performed in resolute yet imaginative fashion the supervisory functions of a top government educator developing an educational philosophy of his own based on an understanding of the provincial geography a reverence for citizenship and a work ethic tuned to challenge and

accomplishment Although not completed these memoires invite the reader to experience the British Columbia that Alex Lord knew Through his words we endure the difficulties of travel in this mountainous province We meet many of the unusual characters who inhabited this last frontier and learn of their hopes fears joys sorrows and eccentricities More particularly we are reminded of the historical significance of the one room rural school and its role as an indispensable instrument of community cohesion John Calam has organized the memoirs according to the regions through which Lord travelled He has included in his introduction a biography of Alex Lord a brief description of the British Columbia he knew a sketch of its public education system and an assessment of the place Lord s writing now occupies among other works on education and society
